World War One Philip Warner,1998 *Harvard Bulletins in Education* Stephen Perkins Cabot,1930 **Semiotics of Images** Alexandros Ph. Lagopoulos,Karin Boklund-Lagopoulou,Maria Giulia Dondero,Jacques Fontanille,Maria Ilia Katsaridou,Rea Walldén,2024-11-18 This book represents a unique collaborative effort to bring together the multiple aspects of the semiotics of images into a coherent approach based on Greimasian and post Greimasian theory Starting with a critical discussion of epistemological and theoretical issues and continuing with methodology and numerous examples of applied analysis it aims to provide the educated reader with a consistent and unified theoretical framework for the semiotic study of visual cultural texts It offers a comprehensive overview of the semiotics of static images such as painting drawing sculpture and photography but also dynamic images such as cinema animation and digital games Readers will benefit from the special emphasis placed on the analysis of the pictorial signifier visual syntax and the structuring of the semantic universe **As the Witnesses Fall Silent: 21st Century Holocaust Education in Curriculum, Policy and Practice** Zehavit Gross,E. Doyle Stevick,2015-03-16 This volume represents the most comprehensive collection ever produced of empirical research on Holocaust education around the world It comes at a critical time as the world observes the 70th anniversary of the liberation of Auschwitz We are now at a turning point as the generations that witnessed and survived the Shoah are slowly passing on Governments are charged with ensuring that this defining event of the 20th century takes its rightful place in the schooling and the historical consciousness of their peoples The policies and practices of Holocaust education around the world are as diverse as the countries that grapple with its history and its meaning Educators around the globe struggle to reconcile national histories and memories with the international realities of the Holocaust and its implications for the present These efforts take place at a time when scholarship about the Holocaust itself has made great strides In this book these issues are framed by some of the leading voices in the field including Elie Wiesel and Yehuda Bauer and then explored by many distinguished scholars who represent a wide range of expertise Holocaust education is of such significance so rich in meaning so powerful in content and so diverse in practice that the need for extensive high quality empirical research is critical This book provides exactly that *An Introduction to Literary Studies* Mario Klarer,2004 Systematically taking in literary theory genre and history the author provides easy to understand descriptions of a variety of approaches to texts thus offering an accessible and clear general survey of literature Michaela: The Power of Culture Katharine Birbalsingh,2020-04-17 Michaela Community School in Brent London is one of the most talked about schools in the UK In this follow up to the best selling book *Battle Hymn Of The Tiger* Teachers their teachers further explain how their relentlessly high expectations are helping young people to get great results and be successful Since opening in 2014 Michaela Community School has blazed a trail and defied many of the received notions about what works best in schools In *Michaela The Battle For Western Education* staff explore some of the things they have learned since the publication of the original

book and further develop the ideology that lies beyond the headlines and social media arguments Chapters include Don't be squeamish about scripture why we teach religion at Michaela Relationships National Citizenship and Identity Teaching National History Digital Detox Authority Original Sin Telling kids the truth teaching personal responsibility Assessment at Michaela Loving the difficult kids The baby in the progressive bath water The culture of feedback at Michaela Why is teaching gratitude important Parenting the Michaela way [Anxious Histories](#) Jordana Silverstein,2015-04-01 Over the last seventy years memories and narratives of the Holocaust have played a significant role in constructing Jewish communities The author explores one field where these narratives are disseminated Holocaust pedagogy in Jewish schools in Melbourne and New York Bringing together a diverse range of critical approaches including memory studies gender studies diaspora theory and settler colonial studies *Anxious Histories* complicates the stories being told about the Holocaust in these Jewish schools and their broader communities It demonstrates that an anxious thread runs throughout these historical narratives as the pedagogy negotiates feelings of simultaneous belonging and not belonging in the West and in Zionism In locating that anxiety the possibilities and the limitations of narrating histories of the Holocaust are opened up once again for analysis critique discussion and development *Legacy of the Somme 1916* Gerald Gliddon,1996 The Battle of the Somme is widely regarded as one of the bloodiest and most controversial land battles ever fought The first British troops went over the top on 1 July 1916 and by the day's end some 19 000 had been killed in the greatest one day loss the British Army has ever known This notoriety has ensured that the Somme and its many fallen warriors live on in countless books plays and films Documentary sources about the Somme abound and there is a voracious appetite among the book buying public for more *Legacy of the Somme 1916* is a unique bibliographical and media guide to the battle setting on record in as comprehensive a listing as is possible much of what has been written filmed or sound recorded in the English language between 1916 and 1995 This detailed listing includes official unofficial and unit histories of the British and Commonwealth armies biographies autobiographies and memoirs literature drama and media archives tanks and war graves registers Short commentaries accompany each entry and a detailed index enables accurate cross referencing of subjects First and foremost this is a unique work of reference which will appeal to all with an interest in the First World War It will aid historians researchers and enthusiasts to track down the vast amount of information available on the battle and will also prove valuable to libraries museums and the book trade *The Independent* ,1919 *National Service* Grenville Clark,W.
