## Slave Hunt:

**Slave Hunt** J. A. Rock, 2016-10-17 Thirty people Two hours Only the strong will survive When Riddle decides to put on a slave hunt the Subs Club is on board Tops hunting bottoms in the woods with paintball guns Yes Captives strung up on whipping posts at the mercy of their captors Hell yes But on the morning of the hunt nothing s going according to plan Miles and Drix are at odds over Miles s reluctance to move in together Dave is determined to show up D who thinks Dave won t last two minutes in the woods Gould finds himself torn between obeying his master s orders and living out a longtime fantasy And Kamen inadvertently becomes a double agent when he aligns himself with two different parties By the end of the hunt alliances will be forged and broken loyalties will be tested relationships will be strengthened and someone will barrel roll Narrated by ten different characters Slave Hunt tells the story of two hours in the woods that will change everyone forever Or at least remind them that love is the greatest victory of all **The Slave Hunt** ,1890\* **The Slave-hunt** ,1990

**Master Slave Husband Wife** Ilyon Woo, 2024-01-16 Presents the remarkable true story of Ellen and William Craft who escaped slavery through daring determination and disguise with Ellen passing as a wealthy disabled white man and William posing as his slave **No Slave-hunting in the Old Bay State** Wendell Phillips, 1859 *A Mulatto Slave* Denise I. Griggs, 2026-02 Peter Hunt and his family were slaves owned by his White father Ironically his Mother s name was America and they lived on a plantation in a town named Liberty Peter through the author tells his own story of being a slave a Freedman soldier and a landowner while living in terroristic Mississippi The author chose the style of the 1930 s Work s Project Administration WPA format of slave narratives and interviews Blended in the story are the political cultural economic and world views during American slavery and extensive research of oral family history documents family pictures historical timelines and DNA This story is a must read for teens and young adults regarding Black and White families during American slavery Many will come to understand that life isn t always what it appears or is said to be Literary Bondage William Luis, 2014-05-23 In the nineteenth century the Cuban economy rested on the twin pillars of sugar and slaves Slavery was abolished in 1886 but one hundred years later Cuban authors were still writing antislavery narratives William Luis explores this seeming paradox in his groundbreaking study *Literary Bondage* asking why this literary genre has remained a viable means of expression Applying Foucault s theory of counter discourse to a vast body of antislavery literature Luis shows how these narratives have always served to undermine the foundations of slavery to protest the marginalized status of blacks in Cuban society and to rewrite the canon of acceptable history and literature He finds that emancipation did not end the need for such counter discourse and reveals how the antislavery narrative continues to provide a forum for voices that have been silenced by the dominant culture In addition to such well known works as Cecilia Vald s *The Kingdom of This World* and *The Autobiography of a Runaway Slave* Luis draws on many literary works outside the familiar canon including Romualdo uno de tantos Aponte Sof aLa familia Unz azu El negrero and Los guerrilleros negros This comprehensive coverage raises important

questions about the process of canon formation and brings to light Cuba's rich heritage of Afro-Latin literature and culture

He outlines how the social experience and cultural meanings of night promote racialized and gender violence but also make possible freedom of movement for marginalized groups that might be otherwise unavailable during the day. Examining nighttime racial violence, curfews, gun ownership, the right to sleep, and take back the night rallies, Goldberg Hiller demonstrates that liberal legal doctrine lacks a theory of the night that accounts for a nocturnal politics that has historically allowed violence to persist. By locating the law's nocturnal limits, Goldberg Hiller enriches understandings of how the law reinforces hierarchies of race and gender and foregrounds the night's potential to enliven a more egalitarian social life.     *A Slaver's Adventures on Land and Sea* William Henry Thoms, 1873     The E'we-speaking Peoples of the Slave Coast of West Africa Alfred Burdon Ellis, 1890.
