The Potters Thumb Vol 2

R Barnett

The Potters Thumb Vol 2:

Touch, Sexuality, and Hands in British Literature, 1740-1901 Kimberly Cox, 2021-09-05 From Robert Lovelace's uninvited hand grasps in Samuel Richardson's *Clarissa* to Basil Hallward's first encounter with Dorian Gray literary depictions of touching hands in British literature from the 1740s to the 1890s communicate emotional dimensions of sexual experience that reflect shifting cultural norms associated with gender roles sexuality and sexual expression But what is the relationship between hands tactility and sexuality in Victorian literature And how do we best interpret what those touches communicate between characters This volume addresses these questions by asserting a connection between the prevalence of violent sexually charged touches in eighteenth century novels such as those by Eliza Haywood Samuel Richardson and Frances Burney and growing public concern over handshake etiquette in the nineteenth century evident in works by Jane Austen the Brontës George Eliot Elizabeth Gaskell Thomas Hardy Oscar Wilde and Flora Annie Steel This book takes an interdisciplinary approach that combines literary analysis with close analyses of paintings musical compositions and nonfictional texts such as etiquette books and scientific treatises to make a case for the significance of tactility to eighteenth and nineteenth century perceptions of selfhood and sexuality In doing so it draws attention to the communicative nature of skin to skin contact as represented in literature and traces a trajectory of meaning from the forceful grips that violate female characters in eighteenth century novels to the consensual embraces common in Victorian and neo Victorian literature

The Potter's Thumb Flora Annie Webster Steel, 2004-06-01 Up stairs on the roof the connection between Azizan's tears and Zainub's sciatica would have seemed far fetched obscure down stairs however it was self evident clear as daylight Briefly Aziz had the evil eye like her grand father the potter and she was using it as her mother had used it Sixteen years before after nursing that mother in the damp dungeon where useless cries could be deadened Zainub had nearly died of rheumatic fever Not from the damp of course simply from the evil eye
