Worn Path:

American Audacity Christopher Benfey, 2008 From one of America's preeminent critics and essayists a new book in the series *Writers on Writing* casts new light on some of America's literary masters

From Uncle Tom's Cabin to The Help C. Garcia, V. Young, C. Pimentel, 2014-08-13 This book surveys the cultural literary and cinematic impact of white authored films and imaginative literature on American society from Harriet Beecher Stowe's *Uncle Tom's Cabin* to Kathryn Stockett's *The Help*

Sacral Grooves, Limbo Gateways Keith Cartwright, 2013-09-15 We're seeing people that we didn't know exist the director of FEMA acknowledged in the wake of Hurricane Katrina *Sacral Grooves, Limbo Gateways* offers a corrective to some of America's institutionalized invisibilities by delving into the submerged networks of ritual performance writing intercultural history and migration that have linked the coastal U.S. South with the Caribbean and the wider Atlantic world This interdisciplinary study slips beneath the bar of rigid national and literary periods embarking upon deeper more rhythmic and embodied signatures of time It swings low through ecologies and symbolic orders of creolized space And it reappraises pluralistic modes of knowledge kinship and authority that have sustained vital forms of agency such as jazz amid abysses of racialized trauma Drawing from Haitian Vodou and New Orleanian Voodoo and from Cuban and South Floridian Santería as well as from Afro Baptist Caribbean Geechee and Bahamian models of encounters with otherness this book reemplaces deep southern texts within the counterclockwise ring stepping of a long Afro Atlantic modernity Turning to an orphan girl's West African initiation tale to follow a remarkably traveled body of feminine rites and writing in works by Paule Marshall Zora Neale Hurston Lydia Cabrera William Faulkner James Weldon Johnson and LeAnne Howe among others Cartwright argues that only in holistic form emergent from gulfs of cross cultural witness can literary and humanistic authority find legitimacy Without such grounding he contends our educational institutions blind and even poison students bringing them to swallow lye like the grandson of Phoenix Jackson in Eudora Welty's *A Worn Path* Here literary study may open pathways to alternative medicines fetched by tenacious avatars like Phoenix or an orphan Kumba or a shell shaking Turtle to remedy the lies our partial histories have made us swallow

The Hero's Journey Harold Bloom, Blake Hobby, 2009 The hero's journey a quest that leads to self discovery has been central to literature since the earliest epics Covering the role of the hero's journey in *Beowulf* *The Lord of the Rings* *Moby Dick* and *To Kill a Mockingbird* *The Hero's Journey* contains about 20 original and reprinted essays and critical analyses that discuss the role of the title's subject theme in a great work of literature

Resisting History Barbara Ladd, 2007-06-01 In a major reinterpretation *Resisting History* reveals that women as subjects of writing and as writing subjects themselves played a far more important role in shaping the landscape of modernism than has been previously acknowledged Here Barbara Ladd offers powerful new readings of three southern writers who reimagined authorship between World War I and the mid 1950s Ladd argues that the idea of a new woman released from some of the traditional constraints of family and community more mobile and participating in new contractual

forms of relationality precipitated a highly productive authorial crisis of gender in William Faulkner. As new women themselves, Zora Neale Hurston and Eudora Welty explored the territory of the authorial sublime and claimed for themselves and other women new forms of cultural agency. Together these writers expose a territory of female suffering and aspiration that has been largely ignored in literary histories. In opposition to the belief that women's lives and dreams are bound up in ideas of community and pre-contractual forms of relationality, Ladd demonstrates that all three writers—Faulkner in *As I Lay Dying*, Welty in selected short stories and in *The Golden Apples*, and Hurston in *Tell My Horse*—place women in territories where community is threatened or nonexistent and new opportunities for self-definition can be seized. And in *A Fable*, Faulkner undertakes a related project in his exploration of gender and history in an era of world war, focusing on men mourning and resistance and on the insurgences of the masses, the feminized others of history, in order to rethink authorship and resistance for a totalitarian age. Filled with insights and written with obvious passion for the subject, *Resisting History* challenges received ideas about history as a coherent narrative and about the development of U.S. modernism and points the way to new histories of literary and cultural modernisms in which the work of women shares center stage with the work of men.

Welty Albert J. Devlin, 1987. Marking the fiftieth anniversary of Eudora Welty's first important publication, this special collection of critical essays celebrates her achievement as an incomparable literary artist. Since 1936, when *Death of a Traveling Salesman* was published, the excellence of her stories, novels, essays, and collections has been giving unceasing acclaim, and she has become one of the most honored and most esteemed of American writers. The essays in this collection convey the scholarly pleasure one finds in studying the works of Eudora Welty. Although they employ varying critical methodologies, pleasure is at the source of the examinations published in this book. In these essays, formal, mythic, and thematic criticism from a variety of scholars offers fresh access to *A Curtain of Green*, *The Wide Net*, *The Golden Apples*, and *Delta Wedding*. One bibliographical study included shows Welty to be keenly attuned to the nuances of meaning during the writing and revising of *The Optimist's Daughter*, deepening, clarifying, making more precise a novel of inestimable personal feeling. In another essay, Welty's close attention to the world is examined in relation to an early story, *At the Landing*, to the remarkable photography of *One Time One Place*, and to her recent memoir, *One Writer's Beginnings*. Also included is a study of Eudora Welty in relation to Elizabeth Bowen, the Anglo-Irish writer. A new interview with Miss Welty, which unifies this collection, and a checklist of Welty materials that updates Welty scholarship enhance this volume and bring further scholarly acknowledgement to this celebrated author's significant artistic stature and preeminent literary worth.

New Essays on Eudora Welty, Class, and Race Harriet Pollack, 2019-11-29. Contributions by Jacob Agner, Susan V. Donaldson, Sarah Gilbreath Ford, Stephen M. Fuller, Jean C. Griffith, Ebony Lumumba, Rebecca Mark, Donnie McMahan, Kevin Murphy, Harriet Pollack, Christin Marie Taylor, Annette Trefzer, and Adrienne Akins. Warfield. The year 2013 saw the publication of *Eudora Welty: Whiteness and Race*, a collection in which twelve critics changed the

conversation on Welty's fiction and photography by mining and deciphering the complexity of her responses to the Jim Crow South. The thirteen diverse voices in *New Essays on Eudora Welty: Class and Race* deepen, reflect on, and respond to those seminal discussions. These essays freshly consider such topics as Welty's uses of African American signifying in her short stories and her attention to public street performances interacting with Jim Crow rules in her unpublished photographs. Contributors discuss her adaptations of gothic plots, haunted houses, Civil War stories, and film noir. And they frame Welty's work with such subjects as Bob Dylan's songwriting, the idea and history of the orphan in America, and standup comedy. They compare her handling of whiteness and race to other works by such contemporary writers as William Faulkner, Richard Wright, Toni Morrison, Chester Himes, and Alice Walker. Discussions of race and class here also bring her masterwork *The Golden Apples* and her novel *Losing Battles* underrepresented in earlier conversations into new focus. Moreover, as a group, these essays provide insight into Welty as an innovative craftswoman and modernist technician busily altering literary form with her frequent pointed makeovers of familiar story patterns, plots, and genres.
