Emotional Healing Guide:

The Emotional Healing Strategy Gael Lindenfield, 2008-06-05 If you said to someone I'm hurt their automatic reaction would be to call a doctor. But if you were referring to an emotional injury what then? We have spent years searching for medical answers to our physical pain yet when it comes to psychological injuries the solutions are much less evident. Gael Lindenfield has suffered her own share of personal tragedy and this led her to develop her own methods for overcoming many different types of hurt. She discovered that there are seven stages to recovery and these have been proven in their effectiveness not only by Gael herself but by the many clients she has helped. The treatment will allow you to move on and develop a coping toolkit for any time of loss or hurt however great or small.

Empath Marianne Gracie, 2017-05-24
EMPATH A SPIRITUAL EMOTIONAL HEALING GUIDE TO PERSONAL TRANSFORMATION FOR HIGHLY SENSITIVE PEOPLE Are you unfulfilled in life? Do things never seem to go your way? Or have you struggled overcoming your past? This may be true for many of us but empaths often have an even harder time trying to turn their lives around. This is simply because empaths feel everything deeper. So any trauma or emotional wounds they have suffered stays with them and can be harder to clear. When these past hurts remain with us it makes us feel stuck and unhappy. This book was written following the success of Marianne's first book *Empath Healing* but this title builds upon her previous work by delving even deeper into helping empaths and highly sensitive people heal themselves once and for all. Being overly sensitive to everything can feel like a drag but this is because we're not harnessing the true power of this special gift. Only by finally healing ourselves can we learn to embrace and love our natural feeling ability which can move us forward into living the life of our dreams. Highly sensitives can become so accustomed to feeling the energy of others that it distracts them from feeling their own loving energy. This title *Empath* includes Deep emotional and Spiritual healing for empaths, Increasing self love, Personal transformation for sensitive people, Advanced strategies for handling energy and emotions, Empath daily supplements and much more. The main purpose of this book is to empower empaths on their journey of life. Pick up a copy today to finally put your past behind you and step into your power.

Acupressure for Emotional Healing Michael Reed Gach, PhD, Beth Ann Henning, Dipl., A.B.T., 2008-11-19 Increased stress and traumatic events in our lives have resulted in many millions of people who suffer from insomnia, nightmares, anxiety attacks, depression and tension headaches. **ACUPRESSURE FOR EMOTIONAL HEALING** offers relief at your fingertips quickly and safely for a wide range of emotional problems. It explains how emotional distress becomes lodged in the body as muscular tension and blocked energy and shows how acupressure can relieve not just the resulting physical symptoms but also their emotional source often without the need for extensive talk therapy or medication. Acupressure stimulates the same points used in acupuncture but instead of needles firm finger pressure is used on the surface of the skin. The pressure releases neurochemicals called endorphins that relieve pain. As in acupuncture specific pressure points are connected with internal organs and energy pathways in the body called meridians that regulate the flow

of electrical energy to all systems Unlike acupuncture acupressure can be used safely by anyone with only the hands as equipment ACUPRESSURE FOR EMOTIONAL HEALING offers a comprehensive A Z guide to emotional ailments from abandonment to worry and obsessive thinking with fully illustrated instruction on dozens of precise acupressure point locations and how to activate them combined with yogic breathing stretching and movement routines Case histories from the authors practice further illuminate each condition and the path to emotional balance and healing Most routines can be used independently for self care and on the spot relief There are also sections on how to use the techniques to help others with appropriate safeguards
