## **The Haj:**

**The Haj** Leon Uris,1985-05-01 The narrative is fast paced bursting with action and obviously based on an intimate grasp of the region its peoples their tradition and age old ways of life John Barkham Reviews Leon Uris returns to the land of his acclaimed best seller Exodus for an epic story of hate and love vengeance and forgiveness and forgiveness The Middle East is the powerful setting for this sweeping tale of a land where revenge is sacred and hatred noble Where an Arab ruler tries to save his people from destruction but cannot save them from themselves When violence spreads like a plague across the lands of Palestine this is the time of The Haj *The Indian Decisions (New Series)* ,1914 *The Swedish Settlements on the Delaware, 1638-1664* Amandus Johnson,1911 *The Swedish Settlements on the Delaware, 1638-1664* Amandus Johnson,1996 *The Step-Up Program* United States. Employment and Training Administration. Office of Policy and Research,1999 **The Anthropology of Justice** Lawrence Rosen,1989-06-15 Law has often been seen as a relatively autonomous domain one in which a professional elite sharply control the impact of broader social relations and cultural concepts By contrast this study asserts that the analysis of legal systems like the analysis of social systems generally requires an understanding of the concepts and relationships encountered in everyday social life Using as its substantive base the Islamic law courts of Morocco the study explores the cultural basis of judicial discretion From the proposition that in Arabic culture relationships are subject to considerable negotiation the idea is developed that the shaping of facts in a court of law the use of local experts and the organization of the judicial structure all contribute to the reliance on local concepts and personnel to inform the range of judicial discretion By drawing comparisons with the exercise of judicial discretion in America the study demonstrates that cultural concepts deeply inform the evaluation of issues and the shapes of a judge s decision The Anthropology of Justice is not only the first full scale study of the actual operations of the actual operations of a modern Islamic law court anywhere in the Arab world but a demonstration of the theoretical basis on which a cultural analysis of the law may be founded **The British Empire and the Hajj** John Slight,2015-09-21 The British Empire governed more than half the world s Muslims John Slight traces the empire s complex interactions with the Hajj the annual pilgrimage to Mecca from the 1860s when an outbreak of cholera led Britain to engage reluctantly in medical regulation of pilgrims to the Suez Crisis of 1956 He gives voice to pilgrims and officials alike **The Swedish Settlements on the Delaware** Amandus Johnson,1911 *Travels in Arabia Deserta* Charles Montagu Doughty,1888 *Black Ships* R.
