The Healing Spirit:

Healing Spirit Perri Vincent L.,1901 The Healing Spirit Vincent L. Perri,2019-06-15 The Healing Spirit explores the idea that there is healing in dialogue Using examples from Judaic Christian and Buddhist philosophies and drawing on his personal and professional experiences Dr Perri explains how he believes the healing spirit emerges when two people unconditionally encounter each other Introducing his concepts of the invisible matrix archetypal language and the naked essentials of relation he draws on the works of Martin Buber Carl G Jung and Abraham Joshua Heschel and their germinal contribution to the topic The Healing Spirit can be a valuable guide to anyone in the healing or helping professions or anyone who simply wishes to help another The Healing Spirit explores many of the personal encounters of people in the depths of sorrow and how meaningful interpersonal dialogue generated the essence of spirit in their lives Dr Perri embraces the idea that spirit emerges both within and between us when spirit is beckoned It is the spirit that heals It is The Healing Spirit

The Healing Spirit Leo O. Stossich,2019-02-26 This book traces the journeys of seven victims of childhood sexual abuse who have experienced recovery through the activity of the Holy Spirit within the context of the local church These recovered victims have been enabled to move beyond the devastation of abuse by others whom they trusted to a place of emotional and psychological stability appropriate sexual intimacy with their spouses and a growing level of spiritual maturity While the Christian community has been slow to grasp the severity and extent of the problem or to provide the healing resources of the gospel some victims have found recovery in local churches The author has undertaken in depth interviews to elicit and explore the narratives of their journeys from woundedness to well being These narratives are an important source of information on the activity of the Holy Spirit in healing While the Spirit is an entity hidden to us the author has explored the experiences of seven recovered victims to disclose meaning for the work of the Spirit in all areas of Christian ministry **In**

Search of the Healing Spirit Nass Cannon Jr.,2023-06-29 The late Dr Nass Cannon Jr MD was a physician for the indigent poor for over forty years and an internationally renowned scholar of the theologian and monk Thomas Merton In Search of the Healing Spirit follows a narrative arc across several essays of Dr Cannon s analysis and reflections on life and Thomas Merton s theological contributions First articulated by Dr Cannon at the outset of his journey to serve the poor the guiding principle of the book is an exploration of what it means to be broken and called to heal each other ourselves and the world As Dr Cannon writes I am a physician who views his root identity as one called to heal Yet I experience myself as broken as one admonished by the phrase Physician heal thyself Perhaps you too experience yourself as a broken healer Let us together explore some notions regarding the healer as broken examine the nature of healing and consider the relationship of the healer to one healed From this position as a broken healer which implicitly embodies Merton s contemplative spirituality Dr Cannon s meditations over the course of his life of service increasingly weave in Merton s contributions in search of the true self on such pressing and universal topics as grief and loss the eternal nature and healing power of love and to do what we
