Hardy,2022-04-13 The mission church literature seems to be dominated by idealized conceptions of the benefits of equipping congregations to participate in local mission work This investigation challenges this idealism by paying critical attention to congregants ordinary theologies that develop in reaction to the communication of Missio Dei theology to them Their voices are absent from the formal literature The study employs rescripting methodology to modify key assumptions made in the formal ecclesiological literature by drawing on insights that come from Christians ordinary theological voices The study traces how the introduction of a Missio Dei theology to a British Reformed congregation had a significant impact on them A small team of Christian leaders communicated Missio Dei theology to this church over a period of six years It found that mission changes came at substantial personal cost to the church s members 1 a schism occurred when congregants attempted to remove the leader responsible for these changes from his office as church pastor and a third of congregants left the church because they did not want to embrace the church s new mission identity 2 three divergent groups then emerged two of them wanted different kinds of churches that seemed incompatible 3 two thirds of members supported and participated in the church s mission activities which put strains on some of their families 4 unresolved tensions continued to impact the congregation throughout the whole change process 5 unexpectedly for a Reformed church a third group made up of women developed prophetic practices that arose due to the mediation of Missio Dei theology Vitally this thesis challenges the notion that helping churches to become mission focused will make them thrive **Angolite** ,2003 **Psalms of Freedom** Joseph H.K.A. Espinda Jr.,2024-10-16 How can a broken soul find his way to a better life He can t But through Jesus Christ all things are possible and reachable The reason for

writing this book isn't to save anyone because I cannot save a single person only Jesus can. The reason for the book is to help others by sharing experiences about abuse, bad habits, alternative lifestyles, addiction, and depression to show that all these things can be overcome and replaced with true joy and freedom. I have written many psalms and poems during my journey and they are sprinkled throughout the chapters. They are meant to stir the heart and spark the imagination into believing that there is a greater force beyond us that longs to embrace us with truth, peace, and love. Songs and poems can create powerful visuals and tap into the human soul to promote an awakening not previously recognized. That awakening is the power and light of Christ. The psalms speak of my heart and how the love of the Savior changes hearts and changes lives and changes perspectives. My greatest perspective change is my identity and how I am seen by the Lord. I am a child of God. As His child, I can step out in faith knowing that God is always near, no matter where I have been or where I am going. The same is available to anyone, no matter what.
