The Last Election Andrew Yang,Stephen Marche,2023-09-12 A gripping intricately plotted political thriller set on the campaign trail of the USA s next and because of crucial flaws in the electoral system its last election from former presidential candidate Andrew Yang and author Stephen Marche In former presidential candidate Yang s first novel doomsday looms for American democracy in the months leading up to the 2024 election zinging broadsides make for lively and unsettling reading Kirkus Reviews The Last Election is a unique political thriller about an outlandish yet frighteningly possible even probable scenario in America s near future during the crucial 2024 presidential election Though it is fiction it is informed by Andrew Yang s insider s view from his run deep into the Democratic primaries in 2020 It is also a wake up call to an America tearing itself apart The story focuses on two characters Mikey Ricci a political operative who has lost faith in the system and Martha Kass a journalist for the New York Times In 2023 Ricci becomes the campaign manager of a third party candidate who runs on a popular centrist platform and whose frank and honest manner begins to gain ground As it begins to appear that Ricci s candidate might win enough electoral votes to upset the delicate balance of America s two party system Kass stumbles upon a plot by the current Joint Chiefs of Staff to seize power in the anticipated chaos of the coming election Events unfold at the frenetic pace of the campaign trail and as the electoral totals are tallied it becomes more and more evident that no one will accrue the coveted majority of 270 electoral votes If this happens who wins Will the electoral system collapse What is Congress s role in certification and how will congressional leaders behave with their unprecedented individual power Will the American experiment end The Pennsylvania Manual ,1910 *Debates of the Senate of the Dominion of Canada ...*
