The Politics Of Reproductive Ritual:

The Politics of Reproductive Ritual Jeffery M. Paige, Karen Ericksen Paige, 2021-01-08 A welcome addition They argue that rituals of reproduction in preindustrial societies are essentially political In these societies they say men need to control the reproductive power of women in order to establish political power where there is no law or central government ritual is used as a way of gaining control The type of ritual will vary they conclude according to the economic base of the society for those who are interested in the subject this book is indispensable Its thesis is challenging and the documentation is excellent Paige and Paige have made an essential contribution to a long debate and their theory is sure to stir new and lively controversy Science Digest This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1981

Ritual and Conflict: The Social Relations of Childbirth in Early Modern England Adrian Wilson, 2016-04-08 This book places childbirth in early modern England within a wider network of social institutions and relationships Starting with illegitimacy the violation of the marital norm it proceeds through marriage to the wider gender order and so to the ceremony of childbirth the popular ritual through which women collectively controlled this the pivotal event in their lives Focussing on the seventeenth century but ranging from the sixteenth to the eighteenth century this study offers a new viewpoint on such themes as the patriarchal family the significance of illegitimacy and the structuring of gender relations in the period

Ritual Catherine Bell, 2009-12-29 From handshakes and toasts to chant and genuflection ritual pervades our social interactions and religious practices Still few of us could identify all of our daily and festal ritual behaviors much less explain them to an outsider Similarly because of the variety of activities that qualify as ritual and their many contradictory yet in many ways equally legitimate interpretations ritual seems to elude any systematic historical and comparative scrutiny In this book Catherine Bell offers a practical introduction to ritual practice and its study she surveys the most influential theories of religion and ritual the major categories of ritual activity and the key debates that have shaped our understanding of ritualism Bell refuses to nail down ritual with any one definition or understanding Instead her purpose is to reveal how definitions emerge and evolve and to help us become more familiar with the interplay of tradition exigency and self expression that goes into constructing this complex social medium

The Politics of Ritual Change John Tracy Thames, Jr., 2020-07-27 In The Politics of Ritual Change John Thames explores the intersection of ritual and politics in the zuku festival texts from Emar and suggests a new understanding of the Hittite Empire's relationship to northern Syria in the 13th century BCE

Ideas and Practices in the History of Medicine, 1650-1820 Adrian Wilson, 2023-04-21 Although articles in this volume fall into three thematic clusters each of those groups exemplifies three general themes micro social processes innovations and the question of

continuity versus discontinuity and the relationship between ideas and practice Most of these essays touch upon and some of them are exclusively concerned with small scale social processes e g the routines of the all female early modern childbirth ritual the different ways that male practitioners were summoned to such occasions the functioning of voluntary hospitals the protocols underlying patient records Such social practices are well worth studying as both the sites and drivers of larger scale historical change Whenever there comes into being something new whether an institution a hospital a social practice the summoning of men as midwives or a concept a new approach to disease the question arises as to its relationship with what went before This concept resonates throughout these essays but is most to the fore in the chapters on early Hanoverian London which asks explanatory questions and on Porter versus Foucault who represent the extremes of continuity and discontinuity respectively A couple of generations ago the history of ideas was pursued largely without reference to practice in recent times the danger has appeared of the very reverse taking place This book ranges across a broad spectrum in this respect the emphasis being sometimes upon practice Eleanor Willughby s work as a midwife and sometimes upon ideas concepts of pleurisy across the centuries but in every case there is at least the potential for relating the two to one another None of these themes is specific to medical history on the contrary they are the bread and butter of historical reconstruction in general

The Politics of Female Circumcision in Egypt Maria Frederika Malmström, 2016-03-22 The percentage of women aged 15 49 in Egypt who have undergone the procedure of female circumcision or genital mutilation cutting FGM C stands at 91% according to the latest research carried out by UNICEF Female circumcision has become a global political minefield with Western interventions affecting Egyptian politics and social development not least in the area of democracy and human rights Maria Frederika Malmstrom employs an ethnographic approach to this controversial issue with the aim of understanding how female gender identity is continually created and re created in Egypt through a number of daily practices and the central role which female circumcision plays in this process Viewing the concept of agency as critical to the examination of social and cultural trends in the region Malmstrom explores the lived experiences and social meanings of circumcision and femininity as narrated by women from Cairo It is through the examination of the voices of these women that she offers an analysis of gender identity in Egypt and its impact on women s sexuality

The Journal of Psychoanalytic Anthropology ,1987 Sociological Abstracts ,1983 Igbo Art and Culture, and Other Essays Simon Ottenberg, 2006

Readings in Ritual Studies Ronald L. Grimes, 1996 This is the most comprehensive collection of articles on ritual ever assembled The book includes selections by internationally known scholars such as Victor Turner and Clifford Geertz as well as innovative pieces that illustrate the extraordinary interdisciplinary range of contemporary ritual studies Grimes has drawn readings from the entire range of ritual encompassing its secular political and dramatic expressions as well as its religious ones

The Women's Annual Barbara Haber, 1983 The Women's Annual, ... the Year in Review ,1982

Journal of the Southwest ,1988 The Use and Abuse of Medicine Marten W. DeVries, Robert L. Berg, Mack Lipkin, 1982

The contributors to this book seek to examine through several interdisciplinary lenses the issue of the proper place of medicine First a theoretical approach is undertaken by anthropologists medical theorists and a historian Then a specific illness entity couvade is examined cross culturally in considerable detail and analyzed from sociological and medical theoretical points of view Finally a variety of case studies from multiple disciplines and settings ranging from the West to the Third World enrich the data points from which to create a picture of the proper place of medicine **Sociological**

Abstracts Leo P. Chall,2004 CSA Sociological Abstracts abstracts and indexes the international literature in sociology and related disciplines in the social and behavioral sciences The database provides abstracts of journal articles and citations to book reviews drawn from over 1 800 serials publications and also provides abstracts of books book chapters dissertations and conference papers **Contemporary Political Ideologies** Lyman Tower Sargent,1990 Sargent s book provides

students with original statements by believers in an ideology then gives interpretive analyses by acclaimed scholars The Empty Cradle of Democracy Alexandra Halkias,2004-09-24 An ethnographic study that shows how similar national and cultural beliefs about gender sexuality and Greekness are the basis of both the public condemnation of abortion and its prevalence in Greece *American Women and Politics* Barbara J. Nelson,1984 **The Mother Puzzle** Judith D.

Schwartz,1993 This brave and important book gives voice to the ambivalence that plagues women today as they confront the contradictions of modern mothering The Mother Puzzle tackles the difficult questions Has new medical technology liberated our reproductive choices or trapped us with too many options If a woman has modeled her professional life on her father how can she envision herself as a mother After spending so much of our lives dieting and working out how does contemplating pregnancy change the way we think about our bodies What happens to our egalitarian marriages as we move from being partners to being parents The generation now embarking upon motherhood is unique Many women have grown up in traditional homes yet take many feminist beliefs for granted they have controlled their fertility for years before trying to conceive some feel supported in their decisions to have children or not to have them and some do not They have high expectations for motherhood they have high expectations for their lives apart from motherhood Today s women are venturing into new social economic and medical terrain This is the first book to boldly examine the puzzling world of motherhood in the 1990s In this insightful lively exploration of what motherhood means to today s women Judith D Schwartz articulates what many women are thinking but not saying about having children In sharing many women s experiences thoughts hopes and desires she portrays a vision of motherhood more in tune with our time and experiences Combining history feminist theory psychoanalysis and personal reflection she brings an important new viewpoint to the debate on women s issues It is a viewpoint that will enlighten and challenge women of today **BOOK JACKET** Title Summary field provided by Blackwell North America Inc All Rights Reserved **The South Atlantic Quarterly** John Spencer Bassett,Edwin Mims,William Henry Glasson,William Preston Few,William Kenneth Boyd,William Hane Wannamaker,1992

Whispering the Strategies of Language: An Emotional Quest through **The Politics Of Reproductive Ritual**

In a digitally-driven world wherever screens reign great and immediate interaction drowns out the subtleties of language, the profound techniques and emotional nuances concealed within phrases frequently move unheard. Yet, located within the pages of **The Politics Of Reproductive Ritual** a captivating literary value sporting with fresh thoughts, lies an extraordinary journey waiting to be undertaken. Penned by an experienced wordsmith, this enchanting opus encourages visitors on an introspective journey, softly unraveling the veiled truths and profound influence resonating within the very cloth of every word. Within the emotional depths of this moving evaluation, we can embark upon a honest exploration of the book is core subjects, dissect their fascinating publishing model, and fail to the effective resonance it evokes heavy within the recesses of readers hearts.
