**Gary H. Karp**

## **The Power Of Goalsetting:**

**The Power Of Goal Setting** Vikram Brahma,2021-01-25 Do you know out of every hundred people who set their goals only eight of them will do everything to achieve their target Yes this is a shocking fact but it s true Just like any river without water will be of no use in the same way a life without goals will be meaningless In simple words goals give us direction in our life and we can be sure enough that we are moving in the right direction But simply having a goal is not enough and you will understand this concept after reading this book Everybody wants to achieve goals in their life What are the secrets of achieving them Let me ask some important questions related to life and your career Do you believe in your dreams Do you believe in your abilities and skills Do you make your dreams your goals Are you ready to learn and implement new skills Do you know how many types of goals are there Now here is the secret to achieving your goals Goals are achieved based on our daily habits and plans They are not achieved based on random thoughts Before we decide any an action plan we need to see what habits we need to build What kind of discipline do we need to have Are you ready to do the hard work Are you willing to work till late at night and ready to get up as soon as possible Are you ready to push your limits What daily routines will you follow Life is unpredictable and complicated so are you ready for that We need to see many things before we make a detailed action plan and goals This book *The Power Of Goal Setting* will introduce you to every aspect of goal setting and why they are the most crucial elements for growth in life Here is what you will learn from *The Power Of Goal Setting* Chapter 1 Why Setting The Right Goals Are Important Chapter 2 Why Do People Fail Despite Goal Setting Chapter 3 How To Set Goals Progress And Achieve them Chapter 4 Successful Habits To Achieve Any Goals Chapter 5 5 Types Of Goals Every Individual Should Set What I Achieved Last Year As a writer I dedicated 2020 writing articles and I managed to write over 160 articles Also I was able to win an article writing contest four times in a row This year I have set my goal of writing six books by May 2021 I am writing books on different categories and I am sure I can achieve my goal This book will tell you why there is a need to set the right kinds of goals and what the successful habits to achieve goals And as an author of this book I have shared my personal goals to show you that achieving goals is really possible If you are ready to work towards your goal this book will guide you And I am also sharing about five different kinds of goals that every individual should have So grab this opportunity and understand some fundamentals of achieving your goals *The Power of Goal Setting* Donna

McGoff,2017-07-18 Most behavior is goal directed The process of how to reach goals is a skill that kids can use throughout their lives What better way to become more responsible and build character for successful management of behavior aspire to reach greater scholastic achievement or help draw out personal passion and interests than learning the process of goal setting Their personal engagement and investment in the whole process creates higher motivation inspiration and energy to achieve a goal The book s message is clear It breaks down the process of goal setting so that it makes common sense to the reader Kids are much more apt to be enthused and encouraged when they can comprehend the why behind the how Learning

to be in touch with inner feelings does create awareness and give one power to make better choices and decisions This is the gift I want kids to open as they read this book

**The Power of Goal Setting** Donna McGoff,2014-03 Most behavior is goal directed The process of how to reach goals is a skill that children can use throughout their lives This book evolved out of my persistence in finding a way for helping children help themselves A child s personal engagement and investment in the whole process creates higher motivation inspiration and energy to achieve a goal What better way for children to become more responsible and build character for successful management of behavior aspire to reach greater scholastic achievement or help draw out personal passion and interests than learning the process of goal setting Back cover
