Time Is At Hand:

The Time Is at Hand! Desmond Ford, 2010-01-12 For nearly 2 000 years the book of Revelation has been viewed as the most difficult book in the Bible The hundreds of commentaries in the Library of Congress testify that there is no unanimity about the meaning of the symbols of Revelation And yet this is the only book in the Bible where a special blessing is pronounced on its readers Its a book from Jesus Christ about himself his gospel the future and what will happen to the saints at the end of time Desmond Fords Introduction to the Book of Revelation is the fruit of decades of study plus research at the University of Manchester under Professor F F Bruce Ford off ers a much neglected key this sacred book can only be unlocked by understanding the preceding 65 books of the Bible and in particular the life teachings and death of Jesus The main message of Revelation is that the church is to repeat the experience of its Lord After its final proclamation of the gospel it will be condemned to martyrdom And this climactic sin of the world will precipitate the return of Christ in glory *The Time is at Hand!* Yeshayahu (Jesaiah) Ben-Aharon, 2024-03-15 The twenty first century is the second middle century of the three centuries of the present age of Michael and it is the most decisive one If humanity again misses Michael s goal it will hardly be possible to recuperate from it and human evolution will be derailed for a long time The present age of Michael can therefore rightly be called the Apocalypse of the age of Michael Yeshayahu Ben Aharon In five lively challenging lectures Dr Ben Aharon offers encouraging perspectives on the apocalyptic challenges facing humanity The key Michaelic task for human beings today he says is to comprehend fully the new revelation of the etheric Christ On the success of this depends humanity s resurrection from the abyss from the grave of civilization However it can still be achieved and the time is at hand The author describes the global School of Spiritual Science s contemporary work to create a path to conscious recognition of the Christ and Michael impulses Offering numerous fresh viewpoints into the trials of our time *The Time is at Hand* is an essential handbook for any serious student of anthroposophy The talks from 2017 and 2022 are titled Ahrimanic Immortality the Matrix and the Technological Singularity Michaelic Immortality The Two Apocalyptic Beasts and the Mystery of the Wound Follow This Star and *The Time is at Hand* *The Time Is at Hand!* Paul Marshall Allen, Joan deRis Allen, Johann Wolfgang von Goethe, Rudolf Steiner, 1996-02 Here is a book about Walden that takes Thoreau on his own terms Two Fish on One Hook is a transcendental study of Thoreau s transcendental work It offers us the task of doing as Thoreau does exhorting us to follow the patterns Thoreau sets up in Walden and to approach his work as an act of communication one that urges us to listen to hear and to act upon what he has to say one that becomes a transformative experience Thoreau s first step is to remind us of how very idle and blockheaded we are The busy folk mind ing their own affairs he leaves to their own devices Books about Walden are also obliged to begin on the right note by sounding Thoreau s stern wake up call Many will find it a jarring note but there is no better way to wake up from the Procrustean sense of men asleep and to get a sick one to lay down his bed and run into Walden in time It may be wisdom to let the dead bury the dead but Thoreau is convinced that a man is

not required to bury himself He therefore begins by asking his readers Why should they begin digging their graves as soon as they are born Raymond Tripp **The Time is at Hand** Charles Taze Russell,1908 **The Time Is at Hand** Jay E.
