Turning Rejection Into Direction:

Reject Me, I Love It! Charles V. Douglas, John Fuhrman, 2012-05-01 John shares his personal experiences and those of other successful people to help you use rejection to propel yourself to excellence. In his easy to read uplifting style he teaches you how to use rejection to accelerate your personal growth and reach new levels of achievement. **Reject Me - I Love It** John Fuhrman, 2017-08-11 Fear of rejection holds more people back from their true potential than any other obstacle. Since its original release in 1996 REJECT ME I LOVE IT has helped people around the world overcome their fears and use them to accelerate their success. Black Enterprise, 2000-07 BLACK ENTERPRISE is the ultimate source for wealth creation for African American professionals, entrepreneurs, and corporate executives. Every month BLACK ENTERPRISE delivers timely useful information on careers, small business, and personal finance. **Think Like an Engineer, Live Like You** Jeetu Pal, 2025-10-16 What if the mindset of an engineer could shape more than machines? What if it could shape your life? Think Like an Engineer Live Like You is not a textbook. It's a transformational journey, a bold narrative about shifting from fear to focus, from doubt to design, and from uncertainty to self-belief. Whether or not you've worn a lab coat or touched a circuit board, this book invites you to adopt the engineering way of thinking to rebuild how you approach challenges, choices, and even failure. Through real-life reflections, personal battles, and hard-earned lessons, the book explores how problem-solving, structure, logic, and creative design thinking can be powerful tools for building not just systems, but self-confidence, clarity, and courage. **Heart Conditions** Vanda Millien, 2000-09 For many years I have received requests at my seminars and workshops for a book containing the teachings I have been so privileged to deliver over the last fifteen years. As I do with all situations, I asked for a sign that this proposed book was in accordance with Divine Will and would manifest at the appropriate time. Just one week later, at the end of a meeting, a lady who is also an author suggested the teachings be put in book form. Hence Heart Conditions was born. Everyone has a heart condition, whether spiritual, physical, or both. This book will help you to recognize your heart condition and consequently to change it by shifting your spiritual and physical chemistry through forgiveness, compassion, and love. The teachings are simple stories taken from the experiences and heartbreaks in my life, suggesting how we can collectively transmute our life experiences into personal mastery. It is time for us all to leave behind the repressive conditioning and opinions of society and change our own heart conditions by allowing forgiving and loving. This collection of stories will help you to be courageous enough to take responsibility for who you are and to live your own truth triumphantly. *The Miracle I Almost Missed* Pam Boyd, 2012-06-14 Many of us have spent years living our romantic lives as if we are victims of our circumstances. We may have invested so much time and energy into complaining, fretting, and despairing over our circumstances that we now define ourselves by our perceived obstacles, bad luck, or mistreatment by others. Seeing hope through these filters is almost impossible. *The Miracle I Almost Missed* offers timely, practical advice for navigating through this maze of relationship disappointment to a place of hope and empowerment. It

provides information that points the way to a more positive and hopeful approach to finding and keeping romantic relationships Each chapter features a reality check that includes Finding Clues questions that are designed to help you see your romantic life from a new perspective and a Challenge which offers alternative next steps For anyone who has been burned by love feels unattractive is stuck in a dead end relationship or faces uncomfortable dating challenges *The Miracle I Almost Missed* can be the first step to new hope
