Turning Setbacks Into Comebacks I Brenda Lovett Arnold, 2026-01-21. *Turning Setbacks Into Comebacks I* is a raw, deeply personal memoir about resilience in the face of life-altering injury, bureaucratic battles, and emotional upheaval. Brenda Lovett Arnold, a veteran special education teacher, recounts her journey through workplace injuries, surgeries, workers' compensation disputes, and the sudden loss of the career she loved. With honesty and heart, she invites readers into courtrooms, hospital rooms, classrooms, and quiet moments of prayer, showing how faith, family, and determination become lifelines when everything familiar falls apart. This book is not just about pain; it is about persistence. Through setbacks that include spinal fusion, chronic illness, financial strain, and legal struggles, Arnold documents how she learns to adapt, advocate for herself, and find meaning in small victories. Her story speaks to anyone who has felt dismissed, misunderstood, or overwhelmed by systems meant to help. *Turning Setbacks Into Comebacks I* is a testament to the power of hope and proof that even when life changes forever, purpose does not.
