nurturing not angry or powerful But like yin and yang the energies of fierce and tender self compassion must be balanced for wholeness and wellbeing Drawing on a wealth of research her personal life story and empirically supported practices Neff demonstrates how women can use fierce and tender self compassion to succeed in the workplace engage in caregiving without burning out be authentic in relationships and end the silence around sexual harassment and abuse Most women intuitively recognize fierceness as part of their true nature but have been discouraged from developing it Women must reclaim their power in order to create a healthier society and find lasting happiness This wise caring and enlightening book now in paperback shows women how to reclaim balance within themselves so they can help restore balance in the world
