The Heart Reader:

The Heart Reader Michelle Dorsey, 2019-09-24 Contained within the pages of this intriguing book are the chilling realities and revelations of the many warning signs women have missed in their relationships And no one has talked about it Addressing these elusive issues faced by women this book shows how deep heart wounds or heart wrenching traumas can be overcome The Heart Reader The One Who reads hearts is God Not a person But sometimes a person will think they know best who you should be with or not Often they do not seek Him before telling you a particular person cannot possibly love you Why would that person love you they say In essence because they do not know what The Heart Reader knows they underestimate who God created you to be and what you were created to do in your future It would be different if they actually knew what they were talking about So when it comes to motives understand this What people try to conceal The Heart Reader will reveal

The Heart of Biblical Narrative Karl Allen Kuhn, Modern biblical scholarship has long been preoccupied with the relationship between history and doctrine Karl A Kuhn argues that an overly rational approach to the thought of the biblical authors misses the equally important but long neglected affective dimension of biblical narrative In Part I of *The Heart of Biblical Narrative* Kuhn presents an approach to the Bible that applies affective analysis to get at a cardiography of biblical narrative Biblical narrative in both Israel's scripture and the New Testament is understood fundamentally as an attempt to persuade and move the reader not simply to convince the reader of certain truths In Part II Kuhn's close reading of the opening chapters of Luke's Gospel shows how biblical authors employed pathos as a way of drawing readers into their narrative and thereby their understanding of reality
