considered a curse or a rare gift *The Haunting of Gallagher Hotel: A Chilling Haunted House Horror Novel* K.T. Rose,2020-11-05 Some hotels check you in This one never lets you check out In the Gallagher Hotel every room holds a nightmare and every guest becomes prey When Riley accepts a serving position at an exclusive party in the infamous Gallagher Hotel she sees it as a chance to move past her son s tragic death Instead she steps into a supernatural nightmare Together with Chris a mysterious thief haunted by his own tortured history she discovers the hotel s current owner isn t who she claims to be but rather the vengeful spirit of an executed criminal As malevolent forces trap them inside Riley and Chris witness horrifying manifestations and uncover dark secrets hidden within the hotel s Victorian walls The spiritual and material realms blur and the body count rises A sinister hotel manager reveals his true demonic nature and ancient evils awaken Can they expose the hotel s macabre history and survive the night or will they join the ranks of the hotel s permanent ghostly residents The Haunting of Gallagher Hotel stands as the latest bone chilling addition to K T Rose s horror collection If you crave atmospheric hauntings supernatural suspense and relentless terror then you ll be mesmerized by this blood curdling tale Secure your reservation with evil right now *The Haunting of Berkely Manor* ANNE,2010-06-10 Bcover Horror novel is about a psychic researcher and an anthropologist who find the quintessential haunted house The Haunting of Berkely Manor is about a psychic researcher and an anthropologist who have searched all over the world for the perfect haunted house Dr Hex Montague a psychic researcher and Dr Jeff Turner an anthropologist whose true passion lies in the supernatural field have joined forces to validate the existence of an actual haunted house Their search leads them to Berkely Manor an old home in rural Georgia that was built in 1806 After interviewing several former students as well as researching the personal effects and papers that were left behind by the family that built the house Dr Jeff and Dr Hex are elated to realize that they have found the real thing Berkely Manor is the quintessential haunted house and is in the perfect location for the study that the doctors hope to conduct But as the supernatural begins to take over they wonder if they will survive to present their conclusion *The Haunting Fetus* Marc L. Moskowitz,2001-05-01 The Haunting Fetus focuses on the belief in modern Taiwan that an aborted fetus can return to haunt its family Although the topic has been researched in Japan and commented on in the Taiwanese press it has not been studied systematically in relation to Taiwan in either English or Chinese This fascinating study looks at a range of topics pertaining to the belief in haunting fetuses including abortion sexuality the changing nature of familial power structures the economy and traditional and modern views of the spirit world in Taiwan and in traditional Chinese thought It addresses the mental moral and psychological aspects of abortion within the context of modernization processes and how these ramify through historical epistemologies and folk traditions The author illustrates how images of fetus ghosts are often used to manipulate women either through fear or guilt into paying exorbitant sums of money for appeasement He argues at the same time however that although appeasement can be expensive it provides important psychological comfort to women who have had abortions as well as a much needed means to project

personal and familial feelings of transgression onto a safely displaced object In addition to bringing to the surface underlying tensions within a family appeasing fetus ghosts like other dealings with supernatural beings in Chinese religions allows for atonement through economic avenues The paradox in which fetus ghost appeasement simultaneously exploits and assists evinces the true complexity of the issue and of religious and gender studies as a whole [The Haunting of Twentieth-Century America](#) Joel Martin, William J. end up in the more highbrow end of the market Most critical discussions of Jackson tend to focus on *The Lottery* and *The Haunting of Hill House* An author of such accomplishment and one so fully engaged with the pressures and preoccupations of postwar America merits fuller discussion To that end this collection of essays widens the scope of Jackson scholarship with new writing on such works as *The Road through the Wall* and *We Have Always Lived in the Castle* and topics ranging from Jackson's domestic fiction to ethics cosmology and eschatology The book also makes newly available some of the most significant Jackson scholarship published in the last two decades
