*The Life of Albrecht Dürer of Nürnberg* Mrs. Charles Heaton,Mary Margaret Heaton,1881     **The Hidden Essence of Art** Stephen Newton,2025-08-26 This book offers a wide ranging review of art throughout the ages to isolate the original source of religions and religious practices within the symbiotic relationship between art production and universal ritual procedures A psychoanalytic perspective identifies the creative process as the common factor and integral structure of not only the formation of the art object but also ritual enactments and performance and furthermore religious doctrine and ceremony The ritual creative process is unearthed as the unique prototype for the fundamental concept of death and resurrection that underpins religious belief The book was written with the general reader in mind but it will also be of interest to psychoanalytic researchers art historians and art practitioners as well as to theologians     **The Essential Durer** Larry Silver,Jeffrey Chipps Smith,2010 The Essential Durer offers an accessible and up to date look at one of Germany s most famous artists Essays explore his life as well as his art and its remarkable reception across Europe     **Dürer's Lost Masterpiece** Ulinka Rublack,2023-07-11 Durer s Lost Masterpiece tracks the history of a turning point in the career of the celebrated German artist Albrecht Durer 1471 1528 when he stopped painting altarpieces after arguing with a merchant patron over payment As an eloquent homage to Durer s life it brings us closer to the creation and meaning of his paintings than ever before Durer s Lost Masterpiece considers the celebrated German artist Albrecht Durer 1471 1528 his time and his legacy It tracks the history of a crucial and often overlooked turning point in his career when Durer stopped painting altarpieces after falling out with the Frankfurt merchant Jacob Heller over a commission The story of this painting as Durer s lost masterpiece functions as a lens through which to view the new relationship developing between art collecting and commerce in Europe up to the Thirty Years War 1618 1648 when global trade and cultural exchanges were increasing At the heart of the book is the argument that merchants and their mentalities were crucial for the making of Renaissance art and its legacy for modern art The book draws on a decade of research and uniquely draws the reader into the rich emotional worlds of three merchants each of whom typified the evolving relationship between art and commerce in that entrepreneurial and often ruthless age It brings to life Durer s determined fight for creative makers to be adequately paid and explores the big questions about how European societies came to value the arts and crafts that remain relevant to our time     **Albrecht Durer** Jane Campbell Hutchison,2003-08-29 Hutchison s book is a complete guide on Durer and the research on his work his historical import and his aesthetic legacy     The alkahest, or The house of Claës.
