

# THE KINGS PUDDING

In the middle of the rainforests, the morning sun shone through the curtains of lush green leaves . Birds sang, frogs croaked and gibbons whopped and screeched between the trees. Little mouse deer stepped cautiously down to the river bank to drink. The rainforest was a dangerous place, what with crocodiles in the water and snakes in the undergrowth... not to mention the mighty mean tiger who could snap him up in two mouthfuls. You have to have sharp wits to survive the forest. How lucky for Mousedeer that he did and Tiger did not. Looking up from the water, Mousedeer saw a flicker of fur and tawny fur striped with black fur just like the body of a... tiger mousedeer gasped. Breakfast growled tiger claws unleashed ready to pounce. Mouse deer looked around in panic oh no you can't possibly eat me I am too busy guarding the king's treasure and he pointed to a brownish cake on the ground. the king treasure growled at the tiger, puzzled. but of course, no one is allowed to eat it except the king though you would like it. It's not fair argued the tiger can't I have a tiny bit the king will never know well ok but only if we pretend that you scared me away. that's a brilliant idea shouted the tiger and so he opened his mouth to roar but the mouse deer had already fled away. tiger shrugged confused and got ready to take a huge lick of it but what's this the pudding was not a pudding but earth. bleurgh shouted the tiger and spat out the mud oh mouse deer you are too clever for me give up and promise never to try and catch you ever again. The moral of the story is smart work not hard work
