

Turkeys Never Gobble!

Gather around the table!
It's Thanksgiving Day, and a group of
very hungry animals are preparing for
a feast. But don't forget your manners,
because these polite animals would
never act like wild beasts!
Or would they?

Turkeys Never Gobble:

Advanced Turkey Hunting Michael Hanbeck, 2003-02 Every spring millions of hunters take to the fields and forests in search of wild turkeys While some hunters are successful in bagging their bird many come home empty handed This book was written to help hunters locate and harvest mature gobblers In these pages author Gary Clancy explains the proven tips and techniques of the best wild turkey hunters in the country The list of contributors for this book reads like a who's who in the turkey world Mark Drury David Hale Harold Knight and Walter Parrot to name a few These experts share their secrets for hunting gobblers on public land in open spaces during rainy and windy weather and other special situations that often cause problems for turkey hunters This book also shows the hunter how to best handle the meat and feathers from a trophy bird after a successful hunt

Wild Turkey Gary Clancy, 1996-12 Although uncontrolled hunting once reduced turkey numbers today there is a resurgence of the wild turkey population This book will help you understand the wild turkey's habits and teach techniques you'll need to hunt them You'll learn about the equipment you'll need several types of turkey calls and how to ensure a clean kill A day in the woods can be miserable for the ill equipped hunter and so we have a section on accessories that can help you select gear to enhance your hunting experience Once the gobbler has been collected you'll learn how to preserve your trophy and even how to dress and cook it Concise information and beautiful detailed photographs make this a wild turkey reference you'll want on your shelf
