The Joseph Smith Revelations H. Michael Marquardt, 1999 Revelation is so central to Mormonism that one might presume that the study of original texts is an exhausted field The remarkable truth is that little has yet been done in this area An analysis of the earliest manuscripts and first printed versions often in newspapers helps establish the original setting and often the intention of the revelations many of which have been greatly changed by later textual modifications By knowing more of the history of the early church Marquardt hopes to reveal new and important vistas concerning both early Mormonism and the concept of revelation itself

The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and thrilling novel that will keep you guessing until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
