The Conjuror Returns Michael S Ball,2025-11-21 This book ventures into the modern day use of inspiration by the inclusion of internet shorts requiring a limited space to reply relating to others simply in admiration or requesting a title for inspiration I'd write a reply or form a poem suggesting a title not all are shown here though they're given as inspiration later to complete poems all done from Internet shorts The subjects here are mainly love related with a little of nature interspersed here and there It's surprising how other trains of thought can inspire before hello's soon become goodbyes As is the case with all that correspondence I hope some of you will seek inspiration from others unknowingly giving suggestions for themes of life love and needs of the heart enough to write it down or simply admire another's ability to express in a poetic way Michael S Ball **Can I Give You a Kiss?** Soline Bourdeverre-Veyssiere,2024-01-23 A beautifully illustrated story designed to start the much needed conversation about consent Cassie is a little girl full of life and imagination who loves singing playing in mud dancing and especially reading Today she reads a story about kissing to an audience of her stuffed animals and toys She answers all of their assumed questions while she reads Who can I kiss Who can kiss me How should a kiss make me feel Are there different types of kisses How do I ask if I can kiss someone How do I say no if I don't want to be kissed This children's book discusses consent in a sweet and open way so that both children and adults can better understand how to respect one another when it comes to giving kisses and hugs Teaching today's children and tomorrow's adults about consent is critical to the development of their self respect and their respect for other people But this sometimes also requires teaching today's adults that they can't steal a nonconsensual kiss from a child just because they are a child Information at the back of Can I Give You a Kiss will help parents and caregivers teach consent to the children and adults in their lives **Karuna** Sayadaw U Jotika, Words from the transcriber This dhamma talk was taught by Sayadaw U Jotika on 10/4/1997 Due to the low quality of the recorded audio there are quite a few of can't get the words in this transcript However you still can catch the complete content and the points Sayadaw wanted to make I believe May all mindfulness peace and happiness be with you Sticky Kisses Greg Johnson,2002 An unexpected phone call from her estranged brother Thom propels Abby Sandler from her staid life as a teacher in Philadelphia to Atlanta where over the ensuing holiday season Thom and Abby tentatively move toward
