

CHAPTER 1

Getting Started

Welcome to the world of learning languages.

Congratulations on taking up one of the most rewarding and exciting challenges that life has to offer. Learning a new language is a huge adventure. It takes you to places that you have never been to. It opens doors for you that you never knew were there. It introduces you to people that you would otherwise have just walked by. And life certainly will never seem the same again.

A new language brings you a whole host of new opportunities. It allows you to step into a parallel universe, where you get the chance to live your life again but in a different language, interacting with people from different countries in ways you never could before.

But as with all things, the challenge of learning a new language brings difficulties with it too. The ability to speak a foreign language is a skill that can be developed only through patience, with dedication, and over time.

In this chapter we will see why learning a language is something everybody should be doing and can benefit from. We will think about your choice of language, identify your reasons
