L. Collins,2010-07-19 No figure stands taller in the world of First Amendment law than Oliver Wendell Holmes Jr This is the first anthology of Justice Holmes s writings speeches and opinions concerning freedom of expression The book contains eight original essays designed to situate Holmes s works in historical and biographical context The volume is enriched by extensive commentaries concerning its many entries which consist of letters speeches book excerpts articles state court opinions and U S Supreme Court opinions The edited materials spanning Holmes s 1861 1864 service in the Civil War to his 1931 radio address to the nation offer a unique view of the thoughts of the father of the modern First Amendment The book s epilogue which includes a major discovery about Holmes s impact on American statutory law explores Holmes s free speech legacy In the process the reader comes to know Holmes and his jurisprudence of free speech as never before **Imbeciles** Adam Seth Cohen,2016 One of America s great miscarriages of justice the Supreme Court s infamous 1927 *Buck v Bell* ruling made government sterilization of undesirable citizens the law of the land *New York Times* bestselling author Adam Cohen tells the story in *Imbeciles* of one of the darkest moments in the American legal tradition the Supreme Court s decision to champion eugenic sterilization for the greater good of the country In 1927 when the nation was caught up in eugenic fervor the justices allowed Virginia to sterilize Carrie Buck a perfectly normal young woman for being an imbecile It is a story with many villains from the superintendent of the Dickensian Virginia Colony for Epileptics and Feebleminded who chose Carrie for sterilization to the former Missouri agriculture professor and Nazi sympathizer who was the nation s leading advocate for eugenic sterilization But the most troubling actors of all were the eight Supreme Court justices who were in the majority including William Howard Taft the former president Louis Brandeis the legendary progressive and Oliver Wendell Holmes Jr America s most esteemed justice

who wrote the decision urging the nation to embark on a program of mass eugenic sterilization Exposing this tremendous injustice which led to the sterilization of 70 000 Americans Imbeciles overturns cherished myths and reappraises heroic figures in its relentless pursuit of the truth With the precision of a legal brief and the passion of a front page exposé Cohen s Imbeciles is an unquestionable triumph of American legal and social history an ardent accusation against these acclaimed men and our own optimistic faith in progress
