The revelation of St. John Irma Korte,2020-01-03 Could the Revelation of St John inspire us even today in our own spiritual quest Yes answers Dr Korte an author of several books and articles interpreting myths and the Bible as she reads man s spiritual transformation in St John s visions Irma Korte questions the common view of Revelation as a prophesy of horrors and God s revenge and instead invites the reader into man s inner world Here St John contemplates in pictorial mythical language the most essential problems in religion such as the nature of man reality and evil As the visions proceed St John himself experiences a profound inner change He gives up alienating religious beliefs and moves toward ever deeper spirituality culminating in the final illumination Interpreting the visions much like myths are analyzed in Jungian thought Dr Korte compares the images in St John s visions to those from other religious texts psychological and philosophical theories mythology and yoga literature as well as from dreams and experiences of present day men and women The many quotations from the works of Occidental and Oriental mystics testify that they have used images similar to those of St John in recounting their own experiences These mystics include among others St Teresa of Avila St John of the Cross and Paramahansa

Yogananda **Beautiful Dreamer** Ron Shafer,2021-03-11 His treacherous machinations exposed during the live performance of Hamlet the brilliant and cunning Abe Badoane seeks revenge on the innocent lovers Jude Hepler and Cory Mohny While the infuriated Abe inches his insidious plot forward Jude and Cory desperately try to decode Cory s medication induced riddle which mysteriously is embedded with clues to their coming fate Her riddle bears an uncanny parallel to Old Mary s haunting vision of the rose which strangely correlates to the major events of Cory and Jude s lives Under spiritual conviction that they should help the psychologically tormented Abe the lovers magnanimously devise a plan to rescue him even as the monstrous Abe settles on his scheme a catastrophic and breath stopping cave in that will destroy the lovers forever During a dream frail Old Mary comes to the shocking realization that the beautiful dreamer in the Stephen Foster Memorial Window is not sleeping but dead Because her dreams bear a one to one correspondence to Cory s life Old Mary now knowing that Cory is in imminent danger frantically tries to warn her of the impending danger But when Old Mary collapses Jude and Cory still not warned head to the mine and their horrific fate The resulting cave in pummels the unsuspecting couple and throws Jude into a stream of conscious dream reverie Events swirled in my mind as I floated in a twilight zone between consciousness and unconsciousness Are his sad ruminations of a post life Cory truth or fiction Does their ineffably beautiful love meet its tragic doom

entry in Cabell s fantastic Poictesme series **The 30 Trials of Ix and the Angels** Mark Durant,2004-09-16 The 30 Trials of Ix and the Angels follows Ix Pantheos from his awakening in a ruined castle through his travels to the moon the sun and

beyond carried along by the songs of thirty angels as they initiate him into the mysteries of consciousness and the nature of existence The answer seemingly found and the journey apparently nearing its end Ix then finds that he must suffer the destruction of his former self and face a new struggle to hold onto all that was revealed to him Born of a series of meditations performed by the author and utilizing an eclectic mix of various world religious and occult philosophies the story is a surreal journey into the depths of the mind echoing Ix s own quest to redeem both himself and mankind While it stands alone as an engaging read for those unacquainted with the various schools of inquiry that comprise the fertile field within which it took root it retains that symbolism which may prove insightful to like minded readers who find themselves treading its obscure paths Sacred and Legendary Art: Legends of the angels and archangels, the evangelists, the apostles, the doctors of the Church, and St. Mary Magdelene Mrs. Jameson (Anna),1874 **The Reliquary and Illustrated Archaeologist**, 1888

All Power to the Lamb James R. Johnson,2010-12 Book Summary If you were God writing a book you wanted men to understand would you write it in such a way that men would have to make up meaning in order to understand it or would you write it in such a way that those that seek to understand could actually come to a knowledge of its truth Mt 7 7 The present commentary takes the position that God wrote Revelation in such a way that with sufficient effort and intellectual honesty readers can understand it Certainly there are symbols in Revelation but when God does use symbols He provides inspired interpretations of the symbols This commentary seeks to avoid the mistakes of the views that use the symbolical approach to Revelation preterist continuous historical spiritualist and idealist These approaches suffer from two basic flaws assuming the text is symbolical when it is not and making up meaning regarding the text based on stream of consciousness word association much as one would do looking at Rorschach inkblots This commentary seeks to avoid telling God what He should have said and strives to understand what God actually meant Of all the approaches to understanding Revelation this commentary is most closely aligned with the dispensationalist premillennialist view in that it views Revelation from a literalist futurist perspective It is different from the typical dispensationalist schema in that it views the seven seals as the powers of the Lamb understands the exercise of the powers of the seven seals to be simultaneous processes and casts chapters 8 22 as three parallel prophecies of the Lamb s power over the course of the histories of Israel the nations and the saints This commentary also makes use of many of the non canonical works that provide insight into the spirit world and detail regarding the end of the present age **My Favorite Passage from Dante** Dante Alighieri,1929 **My favourite passage from Dante, chosen and explained by the most distinguished Dante lovers of the world today; a compilation with an introduction by John T.
