The Anthropologists Muse:

The Anthropologist's Muse I. M. Lewis, 1973 *Social and Cultural Anthropology in Perspective* Ioan M. Lewis, 2017-09-29 Social anthropology is in the classic definition dedicated to the study of distant civilizations in their traditional and contemporary forms But there is a larger aspiration the comparative study of all human societies in the light of those challengingly unfamiliar beliefs and customs that expose our own ethnocentric limitations and put us in our place within the wider gamut of the world's civilizations Thematically guided by social setting and cultural expression of identity *Social and Cultural Anthropology in Perspective* is a dynamic and highly acclaimed introduction to the field of social anthropology which also examines its links with cultural anthropology A challenging new introduction critically surveys the latest trends pointing to weaknesses as well as strengths Presented in a clear lively and entertaining fashion this volume offers a comprehensive and up to date guide to social anthropology for use by teachers and students Skillfully weaving together theory and ethnographic data author Ioan M Lewis advocates an eclectic approach to anthropology He combines the strengths of British structural functionalism with the leading ideas of Marx Freud and Levi Strauss while utilizing the methods of historians political scientists and psychologists One of Lewis particular concerns is to reveal how insights from traditional cultures illuminate what we take for granted in contemporary industrial and post industrial society He also shows how in the pluralist world in which we live those who study other cultures ultimately learn about themselves Social anthropology is thus shown to be as relevant today as it has been in the past *The Anthropology of Performance* Frank J. Korom, 2013-01-17 *The Anthropology of Performance* is an invaluable guide to this exciting and growing area This cutting edge volume on the major advancements in performance studies presents the theories methods and practices of performance in cultures around the globe Leading anthropologists describe the range of human expression through performance and explore its role in constructing identity and community as well as broader processes such as globalization and transnationalism Introduces new and advanced students to the task of studying and interpreting complex social cultural and political events from a performance perspective Presents performance as a convergent field of inquiry that bridges the humanities and social sciences with a distinctive cross cultural perspective in anthropology Demonstrates the range of human expression and meaning through performance in related fields of religious ritual studies folkloristics theatre language arts and art dance Explores the role of performance in constructing identity community and the broader processes of globalization and transnationalism Includes fascinating global case studies on a diverse range of phenomena Contributions from leading scholars examine verbal genres ritual and drama public spectacle tourism and the performances embedded in everyday selves communities and nations *The Anthropology of Art* Howard Morphy, Morgan Perkins, 2009-02-04 This anthology provides a single volume overview of the essential theoretical debates in the anthropology of art Drawing together significant work in the field from the second half of the twentieth century it enables readers to appreciate the art of different

cultures at different times Advances a cross cultural concept of art that moves beyond traditional distinctions between Western and non Western art Provides the basis for the appreciation of art of different cultures and times Enhances readers appreciation of the aesthetics of art and of the important role it plays in human society

A Laboratory for Anthropology Don D. Fowler,2000 This history tells the story of an idea The Southwest through the development of American anthropology and archaeology For eighty years following the end of the Mexican American War anthropology more than any other discipline described the people culture and land of the American Southwest to cultural tastemakers and consumers on the East Coast Digging deeply into primary public and private historical records the author uses biographical vignettes to recreate the men and women who pioneered American anthropology and archaeology in the Southwest and explores institutions such as the Smithsonian

University of Pennsylvania Museum School of American Research and American Museum of Natural History that influenced southwestern research agenda published results and exhibited artifacts Equally influential in this popular movement were the Yearners novelists poets painters photographers and others such as Alice Corbin Oliver La Farge Mabel Dodge Luhan and Laura Adams Armer whose literature and art incorporated southwestern ethnography sought the essence of the Indian and Hispano world and substantially shaped the cultural impression of The Southwest to the American public Fowler brings this history to a close on the eve of the New Deal which dramatically restructured the practice of anthropology and archaeology in the United States BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved

Parapsychology and Anthropology Allan Angoff, Diana Barth, 1974 Each year the Parapsychology Foundation hosts an international conference during which a different topic relating to parapsychology is discussed The conference was begun by Eileen J Garret and Frances P Bolton shortly after they founded the Parapsychology Foundation They brought together from all over the world some of the men and women working in isolation in a field regarded by many as too remote for respectable research Eileen Garret inaugurated these conference to encourage those early parpsychologists to advance beyond an easy orthodoxy of thought and technique into the broader aspect of physics chemistry and biology and to relate these fields of research to the human personality and the largely unknown extrasensory capacities it contains The Ark, 1922
