We Called Him Rabbi Abraham Gary Phillip Zola,2014-03-21 Over the course of American history Jews have held many American leaders in high esteem but they maintain a unique emotional bond with Abraham Lincoln From the time of his presidency to the present day American Jews have persistently viewed Lincoln as one of their own casting him as a Jewish sojourner and in certain respects a Jewish role model This pioneering compendium The first volume of annotated documents to focus on the history of Lincoln's image influence and reputation among American Jews considers how Lincoln acquired his exceptional status and how over the past century and a half this fascinating relationship has evolved Organized into twelve chronological and thematic chapters these little known primary source documents many never before published and some translated into English for the first time consist of newspaper clippings journal articles letters poems and sermons and provide insight into a wide variety of issues relating to Lincoln's Jewish connection Topics include Lincoln's early encounters with Central European Jewish immigrants living in the Old Northwest Lincoln's Jewish political allies his encounters with Jews and the Jewish community as President Lincoln's response to the Jewish chaplain controversy General U S Grant's General Orders No 11 expelling Jews as a class from the Military Department of Tennessee the question of amending the U S Constitution to legislate the country's so called Christian national character and Jewish eulogies after Lincoln's assassination Other chapters consider the crisis of conscience that arose when President Andrew Johnson proclaimed a national day of mourning for Lincoln on the festival of Shavuot the Feast of Weeks a day when Jewish law enjoins Jews to rejoice and not to mourn Lincoln's Jewish detractors contrasted to his boosters how American Jews have intentionally Judaized Lincoln ever since his death the leading role that American Jews have played in in crafting Lincoln's image and in preserving his memory for the American nation American Jewish reflections on the question What Would Lincoln Do and how Lincoln for America's Jewish citizenry became the avatar of America's highest moral aspirations With thoughtful chapter introductions that provide readers with a context for the annotated documents that follow this volume provides a fascinating chronicle of American Jewry's unfolding historical encounter with the life and symbolic image of Abraham Lincoln shedding light on how the cultural interchange between American ideals and Jewish traditions influences the dynamics of the American Jewish experience Finalist 2014 National Jewish Book Award Finalist 2015 Ohioana Book Award **The Misadventures of Sherlock Holmes** Ellery Queen,2017-06-28 First published in 1944 this is an anthology of parodies and pastiches and comprises of a collection of more than 30 stories written by detective story writers famous literary figures humorists and

others of burlesques and pastiches of the famous detective that represent the highlights of character style idiosyncrasies deduction associated with Sherlock Holmes Barrie O Henry Clendening Agatha Christie Anthony Berkeley are but a few of the others out of print or collectors items here reprinted for the first time Respectful waggish farcical all are appreciative of Holmes domination of the mystery scene a pleasant companion to Holmesiana Kirkus Review **The Energy Mistake** Hans-Joachim Zillmer,2013-01-28 In recent years the statement that crude oil and natural gas are running out has a profound influence on the world economic strategies and on world politics as well as on the future of all humankind But is this scientific conception of the world totally wrong This is a must read book The renewed interest in the planets that resulted during the 2000s from the space probe investigations caused by Hans Joachim Zillmer to think about the origin of planetary bodies and the various volatile substances of their atmospheres Scientists are surprised and have no lucid explanation that abundant hydrocarbons even occur on comets and as already proofed on other planets or its moons In this book is described that this volatile substances on planetary bodies are not of biology origin These inorganic components of the Earth s mantle are continually out gassing toward the surface by geological and mechanical forces Our planet would be replete with methane and we are not running out of petroleum The energy crises would be over There are many other reasons for wanting to understand the principle of operation of our solar system with the energy supply of planetary bodies Suppose someone claimed that life on Earth started below the surface of our planet and if we find extraterrestrial life it is likely to be within but not on other planets Darwin s theory of macroevolution must be rewritten This heretic science book rejects the ideas of conventional geology geophysics and astronomy but instead demonstrates in layman s terms how the Earth originated and where the continents the ocean and the atmosphere came from This highly exciting and controversial German bestselling book The Energy Mistake shows that the history of Earth must also be replaced We see a brilliant thinker as he develops a revolutionary view about the fundamental workings of our planet and the solar systems This is a must read book

Souvenir Book of the Ephrata Cloister Samuel Grant Zerfass,1921 [The Blackhole Protocol](#) Frank Parwaz,2025-06-18 The BLACKHOLE PROTOCOL What if humanity s final hope was never survival but transformation In the aftermath of Earth s collapse the Sovereign is humanity s last ark carrying the Seed Core an experimental artifact meant to preserve human consciousness Its destination Omega a mysterious black hole beyond known space Captain Solis and her dwindling crew are prepared to deploy the Core But Omega isn t just a cosmic anomaly it s a cathedral of impossible physics haunted by echoes visions and shifting realities When their drone returns marked with symbols that speak in light and memory the crew faces a chilling revelation Omega is not just observing it is responding As Lieutenant Kim grapples with their transformation and the ship s AI begins to fracture under the weight of paradox a single truth emerges this was never a mission of preservation It was an invitation Will humanity survive the encounter Or will it become something unrecognizable in the process A mind bending science fiction epic of cosmic horror existential choice and the evolution of what it means to

be human **Enchanted August** Brenda Bowen,2015-06-02 A charming thoroughly engrossing novel that s the next best thing to being there People Magazine Hopewell Cottage Little Lost Island Maine Old pretty cottage to rent on a small island Springwater blueberries sea glass August So reads an ad on Lottie Wilkes and Rose Arbuthnot s children s preschool bulletin board When the mothers arrive on the island they are transformed by the salt air the breathtaking views the long lazy days and the happy routine of lobster corn and cocktails on the wraparound porch By the time of the late August blue moon real life and its complications have finally fallen far far away For on this idyllic island they gradually begin to open up to one another and to the possibilities of lives quite different from the ones they ve been leading Change can t be that hard can it With a cast of endearingly imperfect characters including indie movie star Caroline Dester and an elderly Beverly Fisher who is recovering from heartbreaking loss and set against the beauty of a gorgeous New England summer Enchanted August is a sparkling summer debut that brilliantly updates the beloved classic The Enchanted April in a novel of love and reawakening that is simply irresistible

Conservative Judaism and the Faces of God's Words Benjamin Edidin Scolnic,2005-08-29 While countless millions of people today sincerely claim that the Bible is their main source of inspiration most of them do not really read it Instead they tell what this sacred text should say rather than allow its words to speak to them The Bible becomes a monolithic idol hewn out of the stone of their particular ideologies In a series of pointed and concise essays Benjamin Edidin Scolnic rabbi and scholar interprets the Bible not as The Word but as God s Words The open minded reader will find contradictions at every turn and be forced to wrestle with difficult passages fraught with moral and spiritual complexity Conservative Judaism embraces a pluralistic approach to the Bible that assumes that complexity The intellectual foundation of Conservative Judaism is the understanding that growth through interpretation has been its hallmark from the time of its origins Scolnic discusses how pluralistic religious interpretation of the Bible should affect Judaism s perspective on current issues such as spirituality and feminism Rather than avoid the hard parts he advocates educational and homiletical approaches that confront the most difficult Biblical texts enabling a new generation to rediscover the flexibility and power of sacred words
