

A woman with dark hair tied back, wearing a white headband and a white sleeveless top, is sitting and smiling while writing in a notebook. She is holding a blue pen. The background is a warm, orange-toned wall with a large green plant to the right. The text 'Freedom Manifesto' is overlaid in a white, cursive font.

The Freedom Manifesto:

The Freedom Manifesto María Corina Machado,2026-04-21 The Freedom Manifesto by opposition leader and Nobel Peace Prize laureate María Corina Machado expands upon her vision of a new era for a Venezuela without its dictator Nicolás Maduro This manifesto presents the basic values and principles on which not only her government program is based but also her vision of the state and the new national project she envisions for Venezuela The natural dignity of every human being and their right to be free are essential principles of this project as is the courage needed to defend them The need to rebuild the economy with the free labor of citizens and the private sector is a priority Likewise the right to security freedom of expression freedom of assembly and association education that begins at home and civic and transparent voting are pillars of the liberal democracy that Machado wishes to establish in Venezuela The return of emigrants as well as the protection of territory and the return of Venezuela among the democratic nations of the world are fundamental objectives of this new stage as is the need for justice to be done for the crimes against humanity committed by the previous regime This book brings together the testimonies of dozens of Venezuelans who know the horrors of the previous regime well because they have stood up to it in various ways Each of these stories reflects and exemplifies many others like them stories of pain and abuse but also of light strength courage and hope

The Freedom Manifesto Karan Bajaj,2022-11-28 What is your purpose your Dharma your innate tendency Your only path to freedom is to be true to this No financial upside no promise of stability can compensate for a life not lived under this natural law Western science calls it Flow Perhaps you experience it now in flashes sometimes in a moment of selfless love for your children sometimes in a sudden moment of silence during deep meditation or running sometimes in your job But when you live intentionally in accordance with your dharma you will live with this sense of quiet contentment in all your waking hours This is your purpose your meaning of existence in this world The Freedom Manifesto will give you 7 step by step mental models to get liberated to live your best day daily Simple yet profound and relatable each rule will ensure that your life shapes into the version of your choice
