Ellen DeGeneres,2003-10-28 An indispensable reference for anyone who knows how to read or wants to fool people into thinking they do The Funny Thing Is is sure to make you laugh Ellen DeGeneres published her first book of comic essays the 1 bestselling *My Point And I Do Have One way back* in 1996 Not one to rest on her laurels the witty star of stage and screen has since dedicated her life to writing a hilarious new book That book is this book After years of painstaking round the clock research surviving on a mere twenty minutes of sleep a night and collaborating with lexicographers plumbers and mathematicians DeGeneres has crafted a work that is both easy to use and very funny Along with her trademark ramblings *The Funny Thing Is* contains hundreds of succinct insights into her psyche and offers innovative features including More than 50 000 simple short words arranged in sentences that form paragraphs Thousands of observations on everyday life from terrible fashion trends to how to handle seating arrangements for a Sunday brunch with Paula Abdul Diane Sawyer and Eminem All twenty six letters of the alphabet *Funny thing* Wanda Gag,1920 The Funny Thing About Being Sober John C. Wolfe,2018-04-05 The Funny Thing About Being Sober is the punchline to *You Can t Die A Day of Clarity* It contrasts in a humorous sometimes explicit way the difference between life now and life before rehab Drunk or sober the author is weird Those around him are surprised to learn that he s even weirder sober than he was drunk Soon after leaving rehab the author learns what he long suspected that for decades his alcoholism masked a different illness one that he would now have to confront in sobriety He does it mockingly with an irreverent attitude and a steady stream of pranks stunts and childish behavior some of which make the news and go viral on Reddit and Buzzfeed The author concedes that there was nothing funny about the final shocking years of his alcoholism In fact as time goes by he is stunned by how much he missed when he was drinking Even though he got sober in 2013 he is baffled when he learns that many of his favorite 90s musicians died twenty years earlier The author nearly died from alcoholism At the time he knew he was dying and accepted it Having recovered he refuses to accept his new diagnosis opting instead to defeat it his own way Instead of hiding his peculiarities he puts them front and center He is not afraid of stigmas which makes his stories and observations of life thought provoking and wildly entertaining The Funny Thing Is...
