The Serpent's Mark S. W. Perry, 2020-03-31 A smart and gripping tale of conspiracy murder and espionage in Elizabethan London ideal for fans of C J Sansom Rory Clements and S G MacLean **The Serpent's Mark** Robert Lipscomb Duncan, 1990 *The Serpent's Mark* Robert L. Duncan, 1994 Serpent's Mark Robert L. Duncan, 2003 *The Serpent and the Soul* Katie Souza, 2024-09-03 Healing cannot happen unless you confront the demonic strongholds attacking you After reading this book you will discover the strategies of Python and Leviathan identify their primary targets and learn how to defeat them You will gain confidence and understanding to sever the strongholds gripping your life Instead of being constricted by serpent spirits you will walk free in the power of Christ Jesus gave us the power to trample serpents and have authority of the power of the enemy in Luke 10 19 Isaiah 27 1 3 identifies Leviathan as a twisting fleeing serpent This spirit operates in relationships at all levels and twists people s words shooting darts between people and causing division Not only does it ruin relationships but healing minister Katie Souza believes it ruins our health and our daily lives The Serpent and the Soul shows you the many ways we allow the Leviathan serpent spirit into our lives and the impact it has on us Python is another serpent spirit and it constricts our finances and causes lack and misalignment in our lives and our physical bodies So many misunderstand or overlook the connection between idolatry witchcraft and these serpent spirits and the impact they have on our bodies Souza has seen this time and time again throughout her years of ministry But there is good news You can break the serpents deadly grip through genuine repentance of pride unforgiveness and other doors these spirits use to gain access to your life Your relationships can thrive again and you can prosper and live in health and peace This book will impart biblical understanding of Python Leviathan and other serpent spirits and provide you with powerful prayers and spiritual tools for breaking free from their control God s healing restoration and prosperity are available to you when you break the connection of the serpent and the soul *The Serpent Handlers* Fred W. Brown, Jeanne McDonald, 2000 Brown and McDonald profiles three families One in Middlesboro Kentucky one in Newport Tennessee and one in Jolo West Virginia One involved in religious practices which showcase the handling of snakes **The Serpent's Gift** Jeffrey J. Kripal, 2008-09-15 Because thou hast done this thou art cursed above all cattle and above every beast of the field With those words in Genesis God condemns the serpent for tempting Adam and Eve and the serpent has shouldered the blame ever since But how would the study of religion change if we looked at the Fall from the snake s point of view Would he appear as a bringer of wisdom more generous than the God who wishes to keep his creation ignorant Inspired by the early Gnostics who took that startling view Jeffrey J Kripal uses the serpent as a starting point for a groundbreaking reconsideration of religious studies and its methods In a series of related essays he moves beyond both rational and faith based approaches to religion exploring the erotics of the gospels and the sexualities of Jesus John and Mary Magdalene He considers Feuerbach s Gnosticism the untapped mystical potential of comparative religion and even the modern mythology of the X Men Ultimately

The Serpent's Gift is a provocative call for a complete reorientation of religious studies aimed at a larger understanding of the world the self and the divine
