The Sex Gates:

The Sex Gates Darrell Bain, Jeanine Berry, 2004-02-28 Second Edition Revised with commentary from Darrell Bain and Jeanine Berry Change your sex change your life One day thousand of gates suddenly and mysteriously appear on Earth No one knows where they are from Some think it is the start of an alien invasion Others credit God When the old and the sick go through these gates they become young again and their illnesses disappear But there are several problems Not everyone makes it through the first time Some people simply disappear When you go through a gate your sex changes men become women and women become men And no one can go back through the gate a second time Everyone who tries disappears When Don accidentally falls through a gate and becomes Donna he and his friends face a life changing adventure for **THE SEX GATES** are more than they seem to be

The Sex Gates Darrell Bain, Jeanine Berry, 2002-03 What if you could instantly trade an old body for a new one But the new one is always the opposite sex And sometimes the person simply vanishes during transition What would you do

The Original Sex Gates Darrell Bain, 2007-08-01 **THE ORIGINAL SEX GATES NOVEL** This is the Sex Gates novel as originally written by Darrell Bain alone It has a completely different ending and it contains one more major character and several more supporting ones In this original version all questions are answered and all issues resolved in this one book It is being published now in response to all the fan mail and interest the trilogy generated and continues to generate The Sex Gates has already become a science fiction cult classic and this book should be a significant addition to the sex gates universe Author's Note I wrote The Sex Gates in 1993 at a frenzied pace completing the first draft in one month flat In looking over my original novel and the one ten years later which includes Jeanine Berry as a collaborator I am unable to judge which version I like best That is for readers to decide I can only say that going back over the old manuscript helped me recapture most of the original emotion and intensity with which I first got this notion into novel form When I revisited The Original Sex Gates I was reminded of the two versions of Arthur C Clark's grand stories Against The Fall Of Night and The City And The Stars I have been reading both versions over and over for many years and continue to enjoy both of them to this day I sincerely hope you can do the same with the two different versions of The Sex Gates

Children of the Sex Gates Darrell Bain, 2013-03-01 Sequel to The Original Sex Gates by the author of the 1 top selling series The Sex Gates 2003 Fictionwise Children of the Sex Gates takes place in the universe depicted in my book The Original Sex Gates NOT the trilogy written with Jeanine Berry The Original Sex Gates is how I first wrote the novel and is my preferred version mainly because all the events are contained in the one novel and also because it has one more major character and the last quarter of the book diverges dramatically from that of the trilogy and has a completely unexpected and much different and more believable ending You don't necessarily have to read The Original Sex Gates in order to enjoy Children of the Sex Gates since it is a standalone novel but you would probably enjoy it a little more after first reading The Original Sex Gates novel Darrell Bain

Worlds of the Sex Gates Darrell Bain, Jeanine Berry, 2004-03-01 Book III of the

Sex Gates Trilogy The exciting conclusion to The Sex Gates trilogy The mystery of the sex gates has at last been solved but a horrible dilemma arises The masters of the sex gates are gone but they have left a potential catastrophe behind All the people who have gone into gates and disappeared will be coming back including psychopaths the horribly injured and the very elderly There is no way to tell in advance what condition they will arrive in other than that their sex will have been reversed Lee and Rita find a way to use quantum worlds to avoid disgorging all these people back onto an earth that is finally settling down but it involves risks that place his and Rita's life on the line And just to complicate the problem some of the seconders who are supposed to be helping turn out to have an agenda of their own one which risks the whole human race

Masters of the Sex Gates Darrell Bain, Jeanine Berry, 2003-04-01 Masters of the Sex Gates is the highly anticipated sequel to the mindblowing novel The Sex Gates Earth is changed forever when the Sex Gates arrive By passing through a gate you can change your sex or cure an incurable illness but each passage carries a price What will the ultimate price be Outside the demonstrators shouted and shook their fists Most of them were convinced there was a trick to successfully making successive passages a trick that we Seconders selfishly kept to ourselves That made us evil in their eyes If such a secret did exist it would be extremely valuable The wealthy would gladly sacrifice a fortune to gain effective immortality And to make that immortality fun you could change your sex whenever you got bored and enjoy swinging both ways For a Secunder it was as easy as walking through one of the ubiquitous sex gates But there was no secret to sell and nothing we could tell this mob would appease it Neither Rita nor I had any idea why we could pass through the gates safely while others vanished if they made the attempt

The Sexual Organization of the City Edward O. Laumann, Stephen Ellingson, Jenna Mahay, Anthony Paik, Yoosik Youm, 2005-08-01 We think of the city as a place where anything goes Take the sensational fantasies and lurid antics of single women on Sex in the City or young men on Queer as Folk and you might imagine the city as some kind of sexual playground a place where you can have any kind of sex you want with whomever you like anytime or anywhere you choose But in The Sexual Organization of the City Edward Laumann and company argue that this idea is a myth Drawing on extensive surveys and interviews with Chicago adults they show that the city is to the contrary a place where sexual choices and options are constrained From Wicker Park and Boys Town to the South Side and Pilsen they observe that sexual behavior and partnering are significantly limited by such factors as which neighborhood you live in your ethnicity what your sexual preference might be or the circle of friends to which you belong In other words the social and institutional networks that city dwellers occupy potentially limit their sexual options by making different types of sexual activities relationships or meeting places less accessible To explain this idea of sex in the city the editors of this work develop a theory of sexual marketplaces the places where people look for sexual partners They then use this theory to consider a variety of questions about sexuality Why do sexual partnerships rarely cross racial and ethnic lines even in neighborhoods where relatively few same ethnicity partners are available Why do gay men and lesbians have few public meeting spots in

some neighborhoods but a wide variety in others Why are African Americans less likely to marry than whites Does having a lot of friends make you less likely to get a sexually transmitted disease And why do public health campaigns promoting safe sex seem to change the behaviors of some but not others Considering vital questions such as these and shedding new light on the city of Chicago this work will profoundly recast our ideas about human sexual behavior *Human Sexuality* Vern L. Bullough, Bonnie Bullough, 2014-01-14 First Published in 1994 The purpose of an encyclopedia is to gather in one place information that otherwise would be difficult to find Bring together a collection of articles that are authoritative and reflect a variety of viewpoints The contributors come from a wide range of disciplines from nursing to medicine from biology to history and include sociologists psychologists anthropologists political scientists literary specialists academics and non academics clinicians and teachers researchers and generalists
