

THE SEXY YEARS

By Suzanne Somers
(6376-CD) 8 Compact Discs
Read by Bernadette Dunne

Middle age doesn't have to be about hot flashes, irritable tempers, and no sex drive. Rigorously researched and engagingly written, Suzanne Somers' **THE SEXY YEARS** is women's indispensable guide to life after 50.

Making the case that the key to happiness lies in the replacement of lost hormones, Somers shares some of the benefits she had first-handedly experienced as a result: increased energy levels, improved sex drive, better weight management, and much more. Included are interviews with several doctors and such vital information as why natural hormones are better than synthetic, the difference between male and female menopause, and how a woman can reinvent herself after 50.
