

The Shaker Image

John Brenton Wolford

The Shaker Image:

The Shaker image Elmer R. Pearson, Amy Bess Miller, Julia Neal, John H. Ott, 1974 **The Shaker Image**, 1974

The Shaker Image Elmer R. Pearson, Julia Neal, 1974-01-01 **THE SHAKER IMAGE** ELMER R. | NEAL PEARSON (JULIA.), 1979 **Shaker Images** Shaker Museum and Library, Jack Shear, 1991 **Spiritual Spectacles** Sally M.

Promey, 1993-03-22 Promey's book is a penetrating analysis of Shaker art. The book is a gem, a true advance in Shaker studies, art history, religious history, and cultural history. Highly recommended. Choice: a very intelligent and articulate treatment of a stunning set of message images. Art Bulletin: This book is a pleasure to look at and to read. Religious Studies Review: A fascinating investigation into another world. The Shaker spirit drawings offer clues into a remarkable moment of American life as well as an opportunity to rethink just how the visual arts, religious revitalizations, and social memory relate to one another. A model study, clear, absorbing, and significant. Neil Harris, author of *The Artist in American Society*. Sally Promey's inquiry critically engages current issues in the study of visual culture: what do images do, how do they work, what needs do they fulfill, just what is their power? Her compelling case study joins fundamental concerns of art historians with those of students of religion and history. By means of an exacting examination of Shaker drawings as the site of both expectation and encounter, Promey successfully situates these *Spiritual Spectacles* at the meeting point of the inner and the outer eye. Linda Seidel, author of *Jan van Eyck's Arnolfini Portrait: Stories of an Icon*. Promey has brought to her work an excellent sensitivity to the religious issues involved, keen sight and powers of observation, and a very creative interpretive framework. Stephen J. Stein, author of *The Shaker Experience in America*. **Mastering OpenStack** Omar Khedher, Chandan Dutta Chowdhury, 2017-04-26 Discover your complete guide to designing, deploying, and managing OpenStack-based clouds in mid to large IT infrastructures with best practices, expert understanding, and more. About This Book: Design and deploy an OpenStack-based cloud in your mid to large IT infrastructure using automation tools and best practices. Keep yourself up to date with valuable insights into OpenStack components and new services in the latest OpenStack release. Discover how the new features in the latest OpenStack release can help your enterprise and infrastructure. Who This Book Is For: This book is for system administrators, cloud engineers, and system architects who would like to deploy an OpenStack-based cloud in a mid to large IT infrastructure. This book requires a moderate level of system administration and familiarity with cloud concepts. What You Will Learn: Explore the main architecture design of OpenStack components and core-by-core services and how they work together. Design different high-availability scenarios and plan for a no-single-point-of-failure environment. Set up a multinode environment in production using orchestration tools. Boost OpenStack's performance with advanced configuration. Delve into various hypervisors and container technology supported by OpenStack. Get familiar with deployment methods and discover use cases in a real production environment. Adopt the DevOps style of automation while deploying and operating in an OpenStack environment. Monitor the cloud infrastructure and make decisions on maintenance and performance.

improvement In Detail In this second edition you will get to grips with the latest features of OpenStack Starting with an overview of the OpenStack architecture you ll see how to adopt the DevOps style of automation while deploying and operating in an OpenStack environment We ll show you how to create your own OpenStack private cloud Then you ll learn about various hypervisors and container technology supported by OpenStack You ll get an understanding about the segregation of compute nodes based on reliability and availability needs We ll cover various storage types in OpenStack and advanced networking aspects such as SDN and NFV Next you ll understand the OpenStack infrastructure from a cloud user point of view Moving on you ll develop troubleshooting skills and get a comprehensive understanding of services such as high availability and failover in OpenStack Finally you will gain experience of running a centralized logging server and monitoring OpenStack services The book will show you how to carry out performance tuning based on OpenStack service logs You will be able to master OpenStack benchmarking and performance tuning By the end of the book you ll be ready to take steps to deploy and manage an OpenStack cloud with the latest open source technologies Style and approach This book will help you understand the flexibility of OpenStack by showcasing integration of several out of the box solutions in order to build a large scale cloud environment It will also cover detailed discussions on the various design and deployment strategies for implementing a fault tolerant and highly available cloud infrastructure

The Shaker Quarterly ,1990 **The Works of Charles Dickens ...: American notes and pictures for Italy** Charles Dickens,1898 **The Works of Charles Dickens: American notes and pictures from Italy** Charles Dickens,1882 **American Notes and Pictures from Italy** Charles Dickens,1892 **The Works of Charles Dickens: American notes and pictures from Italy. 1905** Charles Dickens,1905

Hancock Shaker Village, the City of Peace Amy Bess Williams Miller,1984 **The Works of Charles Dickens: American notes ; Pictures from Italy** Charles Dickens,1907 The Works of Charles Dickens: American notes for general circulation and Pictures from Italy Charles Dickens,1910 **The Pickwick papers. Pictures from Italy. American notes. Bleak house. The uncommercial traveller. A child's history of England. Barnaby Rudge. Miscellaneous. The mystery of Edwin Drood** Charles Dickens,1879 *An Analytical Index to the Works of Nathaniel Hawthorne* Evangeline Maria O'Connor,1882 **The South Union, Kentucky, Shakers and Tradition** John Brenton Wolford,1992 Understudied and often misrepresented in Shaker literature at the outskirts of the Shaker federation yet leaving a rich corpus of manuscript material the South Union Shakers provide a stellar opportunity to examine tradition in its dynamic mode across perceived or constructed group boundaries The examination of the labor business and commercial aspects of South Union industrial enterprises reveals a common traditional basis between Shaker processes and products and those of their regional neighbors reflecting not a Shaker style of business but a regional one A significant underlying component of the regional continuity lies in the emphasis the Shakers placed on consanguineal bonding for the family traditions the Kentucky converts brought into the South Union community profoundly affected the character and actual shape of the South Union community

An extensive and intensive examination of the South Union flatboat peddling trips serves as a core chapter exemplifying their regional affiliations. Ultimately, the South Union example founded in their business and labor activities is revealed to be a creative manipulation of regional traditions as processed primarily through consanguineal lines. Pictures from Italy
