Night Of The Hunter GVG Part 1 Micheal Drake,2025-10-15 A young wannabe gangster from Detroit with a past seeks nothing more than peace through a boring life at an office job However to gain that he needs to go to a fancy school and which one better than in Japan After cheating on a test he finds himself there The future is bright a better school a quiet life and better opportunities It was a life away from the guns drugs and gangs However a bump with a myth will send him down an all too familiar road A kitsune fox girl who has a distaste for men and humans will suddenly be under his care However with little choice though and out of desperation she asks him for help to kill the gods that hunt her She has very little faith though seeing how he s just a man but finds comfort in it What she doesn t understand is that the mindset of a boy from the streets has been challenged and a challenge CANNOT go unanswered From the streets Jack will call upon the only people he knows who can back him up his crew From the eyes of the gods they ask who is this human to challenge us To Jack and his crew who are these freaks to challenge us Nobody is backing down and come hell or high water Jack N Ripper is going to sort it out
