[Jan Hus between Time and Eternity](#) Thomas A. Fudge,2015-11-25 This study is a reconsideration of Jan Hus a late medieval Bohemian priest who was burned at the stake six hundred years ago His death sparked a social revolution This book considers his role as a priest and reformer in Prague his martyrdom in Germany and his legacy It attempts to provide an evaluation of Hus in the context of the medieval world especially by engaging in alternative perspectives of his life and work The core themes and arguments are revisionist These include seeing Hus properly as a heretic exploring Hus as a medieval man interested in more than preaching religious practice and reform The book sets out to challenge traditional assumptions and seeks less to contribute to monument building than to challenge the prevailing views about Hus and the interpretation of his life and thought A conscious effort has been undertaken to explore the historical relevancy of Hus and to assess his contemporary significance The book also places Hus into a comparative context with the Reformation of the sixteenth century

silent film era Hollywood he never imagined he'd end up on screen as Martin Brentwood one of the fledgling film industry's most popular actors Five years later a cynical Martin despairs of finding anything genuine in a town where truth is defined by studio politics and publicity Then he meets Robbie Goodman Robbie fled Idaho after a run in with the law A chance encounter leads him to the film studio where he lands a job as a chauffeur But one look at Martin and he's convinced he's likely to run afoul of those same laws laws that brand his desires indecent deviant sinful Martin and Robbie embark on a cautious relationship cocooned in Hollywood's clandestine gay fraternity careful to hide from the studio boss a rival actor and reporters on the lookout for a juicy story But when tragedy and scandal rock the town igniting a morality based witch hunt fueled by a remorseless press the studio brass will sacrifice even the greatest careers to defend their endangered empire Robbie and Martin stand no chance against the firestorm unless they stand together I love historical romance especially when it's done well and this is one of the best and most unique stories I've read in a long time The world building and attention to detail had me immersed in the silent film era from the very beginning and I fell hard and fast for Robbie and Martin who are navigating their way through love and Hollywood in a way that feels incredibly relevant and timely even a hundred years later May Archer author of the bestselling Love in O'Leary series [The Complete Index to Literary Sources in Film](#) Alan Goble,2011-09-08 No detailed description available for The Complete Index to Literary Sources in Film
