Manual Hybrid Work:

It's Not in the Manual Michael Gips, 2025-12-22 What makes a great leader in security and risk It s not in the manual It s Not In the Manual shatters the illusion that effective leadership in security risk and resilience is all about titles certifications or rigid frameworks In a world where cyber threats insider risk reputational landmines and geopolitical chaos overlap this book delivers something far more valuable hard earned wisdom human vulnerability and a wry sense of humor Written with both erudition and pop culture sensibility the book blends field tested insights with sharp wit drawing from sources as varied as Socrates and Snoopy Bill Gates and Bill Bryson quantum physics and playground fistfights If you re looking for a dry leadership tome keep looking This is leadership with levity candor and conscience Whether you re navigating a crisis building a converged risk function mentoring the next generation or just trying to get your team to stop using password123 the lessons here are real world actionable and often unexpected Drawing on hundreds of conversations with practitioners thought leaders and executive coaches from museum security directors to startup founders to crisis tested veterans the book moves fluently between the tactical and the philosophical You ll find leadership lessons in Texas Hold Em and trauma case law and commercials streaming series and streaming data From managing complexity and polycrisis to fostering wellness and adaptive thinking It s Not In the Manual goes where conventional guides don t It doesn t just teach you how to lead It shows you why it matters when it falters and what it takes to lead through uncertainty with integrity If you ve ever felt unprepared to lead in the face of chaos contradiction or moral ambiguity this book is for you Witty yet grounded insightful yet practical It s Not In the Manual is the leadership companion every security and risk professional didn t know they needed until now
