Stepping Into Stepparenting A Practical Guide:

Stepping Into Stepparenting Larry C. Jensen, Janet Mitchell Jensen, 1981 **The Family in America** Joseph M. Hawes, Elizabeth F. Shores, 2002-05-22 An incisive multidisciplinary look at the American family over the past 200 years written by respected scholars and researchers Family in America offers two powerful antidotes to popular misconceptions about American family life historical perspective and scientific objectivity When we look back at our early history we discover that the idealized 1950s family characterized by a rising birthrate a stable divorce rate and a declining age of marriage was a historical aberration out of line with long term historical trends Working mothers we learn are not a 20th century invention most families throughout American history have needed more than one breadwinner In the exciting new scholarship described here readers will learn precisely what is new in American family life and what is not and acquire the perspective they need to appreciate both the genuine improvements and the losses that come with change **EBOOK: Understanding Stepfamilies: A practical guide for professionals working with blended families** Lisa Doodson, 2016-04-16 Despite the growing number of stepfamilies and the recognition that they experience unique difficulties related to their complex family dynamics there is very little support available to them In this practical evidence based guide Lisa Doodson offers a valuable resource for professionals working with stepfamilies giving insight into their unique nature and guidance on how to provide more effective support and advice In addition to the wealth of research and knowledge that the book shares there are a range of case studies which illustrate issues that the different types of stepfamilies frequently face Each chapter also contains practical tools and exercises that professionals can use with their clients to help facilitate change in the family unit as well as interventions including mediation and group workshops and more traditional counselling techniques Understanding Stepfamilies is a must have resource for counsellors and therapists social workers local authorities charities and teaching professionals working with stepfamilies Children of Separation Greta W. Stanton, 1994 Contains almost 1 000 annotated references spanning a period of 20 years A resource for students and professionals in child development foster care adoption divorce and stepfamily living **The Complete Idiot's Guide to Stepparenting** Ericka Lutz, 1998 You re no idiot of course You know how to push a toddler on a swing the recipe for the best gooey chocolate chip cookies and even how to get teens to confide in you Your own kids think you re hip too although they d never admit to it But when it comes to figuring out how not to come across as the wicked stepparent you feel like you need a magical potion Don t reach for the garlic yet The Complete Idiot s Guide to Stepparenting gives you sanity saving advice for dealing with the stepfamily getting to know your stepchildren and feeling confident in your role In this Complete Idiot s Guide you get Tips for dealing with the dreaded first meeting The top 10 complaints of stepmoms and stepdads and how to deal with them Disciplining do s and don ts Practical suggestions for dealing with the Ex Expert advice on making time for romance **Understanding Stepfamilies** Craig Everett, 2014-06-03 Understanding Stepfamilies takes a large step toward achieving integration of the many variables

presented in understanding the stepfamily system The book examines the dynamics and resources within these complex family systems It helps clinicians and researchers understand the underlying structural patterns and dynamics of stepfamilies promoting more successful positive treatment outcomes Chapters in Understanding Stepfamilies offer clinicians and researchers an international perspective including contributions from the U S Canada Israel and The Netherlands Readers learn of unique theoretical approaches to understanding stepfamily typologies and behaviors and specific clinical models for assessment and intervention as well as more empirically based findings regarding parent child interactions
