*Texas Ranger Showdown* Margaret Daley, 2018-04-01 Stop me She was taunted by a killer Margaret Daley's thrilling Lone Star Justice series continues this time pitting radio therapist Dr Caitlyn Rhodes against a methodical murderer First her patients are found dead then the mocking phone calls start The evidence is pointing Texas Ranger Ian Pierce to one conclusion he must protect Caitlyn from becoming this vicious killer's next victim before he loses the woman he once loved for good

*Showdown* Elizabeth Drew, 1997-02-18 The Struggle Between the Gingrich Congress and the Clinton White House Showdown is the story of the most dramatic political rivalry in decades The Democratic President brilliant but seen as indecisive and vulnerable is directly challenged by the equally brilliant new Republican Speaker of the House who seeks to complete the Reagan Revolution by repealing the Great Society and the New Deal In her last book the highly acclaimed *On the Edge* The Clinton Presidency Elizabeth Drew took readers on a revealing tour behind the scenes of Bill Clinton's White House during his first year and a half in office showing us how and why his administration failed Then came the 1994 congressional elections in which the Republicans gained control of the Congress including the House for the first time in forty years This tremendous victory long planned by Newt Gingrich left the Democrats stunned and confused and set the stage for the Republicans to attempt a dramatic possibly historic rearrangement of the country's politics Drew writes with proven authority and intimate detail of the titanic battle that ensued between the Clinton administration and the Republican Congress especially between the wavering President and the determined Speaker Drew's masterly reporting exposes the range of Gingrich's ambition and the way he sought to control the House She describes Gingrich's complex relationship with Senate Majority Leader Bob Dole who no enthusiast struggled to keep up with Gingrich's revolution and shows the impact the race for the Republican presidential nomination in particular between Dole and Senator Phil Gramm had on national policy Through amazingly candid interviews with key congressional figures Drew elicits exactly how the GOP leadership formed a strategy to roll back the welfare state and destroy the power of the Democratic base She again takes us behind the scenes to show us what the key players on both sides were doing and saying privately as they waged their all out war She tells us what the outwardly confident Gingrich worried about She shows President Clinton trying to regain his footing following the devastating election a humiliation that he and his wife took much harder than was publicly understood and turning to a new key adviser Dick Morris Drew describes what effect Morris a former Republican adviser had on Clinton and the new strains within the White House his arrival caused She presents a White House more riven than any in memory Showdown makes clear the enormous stakes of this political struggle no less than the future direction of the federal government and the fate of programs that affect everyone's life

Showdown with the Power of Darkness Carol Metzger Cobb, 2018-08-15 Each day that passed I was drifting deeper and deeper into a personal hell unable to sleep or rest seemingly helpless at the mercy of a sinister force that was literally trying to draw the life out of me On several different occasions

throughout my life I had come eerily close to losing my life yet each time I was miraculously rescued Whatever the reason I was sure of one thing since I was a child a negative force was operating in my life and this time it wasn't giving up not without a fight The real questions remained Why me Could it be conquered And most importantly could I be free of it With the help of God and His Word my husband my friends Christian radio Christian literature as well as some lessons I learned in Karate class I would take a journey through my past a journey in search of a key the one and only key that could seal the door shut on my oppressor once and for all Truly this was a showdown with the power of darkness Carol has done an outstanding job at sharing her life story in such an honest way that we all can identify easily with her hurts struggles and strongholds At a point of hopelessness it all comes together as she recognizes God with her in every situation from her past It is an amazing journey of finding freedom and healing from inner struggles and demonic oppression I believe everyone who reads Showdown can relate in some way and will be blessed as they too come to understand how to overcome and to find freedom from the power of darkness Pastor Tim Gamwell *Short-Lived Television Series, 1948-1978* Wesley Hyatt, 2015-10-06 Do you remember the 1959 game show where ABC cancelled a tape featuring a female impersonator Across the Board Ever heard of Snip the 1976 sitcom starring David Brenner that NBC canned just before it debuted Almost everyone who has worked on a successful television series has also been on one that flopped Even during the first thirty years of broadcasting when NBC CBS and ABC were the only networks and not quite so quick to cancel unsuccessful programs hundreds of shows lasted less than one year This work tells the stories of those ill-fated series that were cancelled within one year after their premieres The entries are arranged chronologically from the 1948-1949 through the 1977-1978 seasons and provide brief descriptions of the shows along with such facts as the type of program each series was its times dates and network its competition on other networks and the names of the cast producer director and writer The book also includes information from more than 100 interviews with actors writers directors and producers who worked on the short-lived television series
