## **The Funnies:**

**The Funnies** J. Robert Lennon, 2000 The Mix family a motley crew of troubled souls who have been forever immortalized in their father's popular comic strip must learn to inhabit the real world when their father dies and the division of his estate becomes an issue

**The Funnies** Paul A. Mendelson, 2020-02-28 Twelve year old Marius is on the run from the Government He's the only one in the whole nation that values his sense of humour Everyone else was de-humoured at birth well most people were Yet somehow with Marius there was a glitch

*The Art of the Funnies* Robert C. Harvey, 1994 Exploration of the comic strip for elements that make the funnies one of the most appealing of the popular arts

*The Last Of The Funnies* Mike Cope, 2008-08-17 After a worldwide energy and economic crisis newspapers have ceased production and nearly every form of art and entertainment is a digital simulation In this seemingly impossible but plausible future a crusty old cartoonist named Frost has a great gift to leave Giles his only child Frost is the creator of Li'l Nibs the most celebrated comic strip about four little aliens who crash landed on Earth during the crisis and aptly announced Weez Comez in Peez However to Giles the funnies have caused nothing but conflict in his life He's grown to resent Frost's crudely hand drawn creations But as the young Virtual Art professor soon learns things aren't always as they appear Like a cartoon wizard behind ink stained curtains Frost weaves a whimsical tale about the origins of the funnies webcomics and a terrorizing menace that threatens to kidnap every artist's childhood dreams Whether Giles believes it or not the fate of the funnies is in his hands

*The Art of the Funnies* Robert C. Harvey, 1994 The comic strip was created by rival newspapers of the Hearst and the Pulitzer organizations as a device for increasing circulation In the United States it quickly became an institution that soon spread worldwide as a favorite form of popular culture What made the comic strip so enduring This fascinating study by one of the few comics critics to develop sound critical principles by which to evaluate the comics as works of art and literature unfolds the history of the funnies and reveals the subtle art of how the comic strip blends words and pictures to make its impact Together these create meaning that neither conveys by itself

*The Art of The Funnies* offers a critical vocabulary for the appreciation of the newspaper comic strip as an art form and shows that full awareness of the artistry comes from considering both the verbal and the visual elements of the medium The techniques of creating a comic strip breaking down the narrative composition of the panel planning the layout have remained constant since comic strips were originated Since 1900 with Winsor McCay's Little Nemo in Slumberland key cartoonists have relied on the union of words and pictures to give the funnies their continuing appeal This art has persisted in such milestone achievements as Bud Fisher's Mutt and Jeff George McManus's Bringing Up Father Sidney Smith's The Gumps Roy Crane's Wash Tubbs and Captain Easy Harold Gray's Little Orphan Annie Chester Gould's Dick Tracy Zack Mosley's Smilin' Jack Harold Foster's Tarzan Alex Raymond's Secret Agent X-9 Jungle Jim and Flash Gordon Milton Caniff's Terry and the Pirates E.C. Segar's Popeye George Herriman's Krazy Kat and Walt Kelly's Pogo In more recent times with Mort Walker's Beetle Bailey Charles Schulz's Peanuts

Johnny Hart's B.C. & T.K. Ryan's Tumbleweeds, Garry Trudeau's Doonesbury, and Bill Watterson's Calvin and Hobbes, the artform has evolved with new developments yet the aesthetics of the funnies remain basic. *The Art of The Funnies* unearths new information and weighs the influence of syndication upon the medium. Though the funnies go in ever new directions, perceiving the interdependency of words and pictures as this book shows remains the key to understanding the art. **The Funnies** Ron Goulart, 1995 *Males and Females in the Funnies* Harold H. Kassarian, 1983 *Catalog of Copyright Entries* Library of Congress, Copyright Office, 1967 [Comic Books and Comic Strips in the United States through 2005](#) John Lent, 2006-04-30 This final work in John Lent's series of bibliographies on comic art gathers together an astounding array of citations on American comic books and comic strips. Included in this volume are citations regarding anthologies and reprints, criticism and reviews, exhibitions, festivals, and awards, scholarship and theory, and the business, artistic, cultural, legal, technical, and technological aspects of American comics. Author John Lent has used all manner of methods to gather the citations: searching library and online databases, contacting scholars and other professionals, attending conferences and festivals, and scanning hundreds of periodicals. He has gone to great length to categorize the citations in an easy-to-use scholarly fashion, and in the process has helped to establish the field of comic art as an important part of social science and humanities research. The ten volumes in this series, covering all regions of the world, constitute the largest printed bibliography of comic art in the world and serve as the beacon guiding the burgeoning fields of animation, comics, and cartooning. They are the definitive works on comic art research and are exhaustive in their inclusiveness, covering all types of publications: academic, trade, popular, fan, etc. from all over the world. Also included in these books are citations to systematically researched academic exercises as well as more ephemeral sources such as fanzines, press articles, and fugitive materials: conference papers, unpublished documents, etc. attesting to Lent's belief that all pieces of information are vital in a new field of study such as comic art. *Cartoonists, Works, and Characters in the United States through 2005* John Lent, 2006-04-30 This penultimate work in John Lent's series of bibliographies on comic art gathers together an astounding array of citations on American cartoonists and their work.
