

Single Parent

Single Parent adalah sebuah kondisi mengasuh dan membesarkan tanpa kehadiran dan dukungan dari pasangannya. Kondisi ini membuat orang tua tunggal menjalankan peran ganda.

The Single Parent

Brook Noel, Arthur C. Klein

The Single Parent:

Growing Up with a Single Parent Sara McLanahan, Gary D. Sandefur, 2009-07-01 Nonwhite and white rich and poor born to an unwed mother or weathering divorce over half of all children in the current generation will live in a single parent family and these children simply will not fare as well as their peers who live with both parents This is the clear and urgent message of this powerful book Based on four national surveys and drawing on more than a decade of research *Growing Up with a Single Parent* sharply demonstrates the connection between family structure and a child's prospects for success What are the chances that the child of a single parent will graduate from high school go on to college find and keep a job Will she become a teenage mother Will he be out of school and out of work These are the questions the authors pursue across the spectrum of race gender and class Children whose parents live apart the authors find are twice as likely to drop out of high school as those in two parent families one and a half times as likely to be idle in young adulthood twice as likely to become single parents themselves This study shows how divorce particularly an attendant drop in income parental involvement and access to community resources diminishes children's chances for well being The authors provide answers to other practical questions that many single parents may ask Does the gender of the child or the custodial parent affect these outcomes Does having a stepparent a grandmother or a nonmarital partner in the household help or hurt Do children who stay in the same community after divorce fare better Their data reveal that some of the advantages often associated with being white are really a function of family structure and that some of the advantages associated with having educated parents evaporate when those parents separate In a concluding chapter McLanahan and Sandefur offer clear recommendations for rethinking our current policies Single parents are here to stay and their worsening situation is tearing at the fabric of our society It is imperative the authors show that we shift more of the costs of raising children from mothers to fathers and from parents to society at large Likewise we must develop universal assistance programs that benefit low income two parent families as well as single mothers Startling in its findings and trenchant in its analysis *Growing Up with a Single Parent* will serve to inform both the personal decisions and governmental policies that affect our children's and our nation's future [The Single Parent Resource](#) Brook Noel, Arthur C. Klein, 1998 This book provides the answers to the top concerns problems and challenges of single parent life *The Complete Guide to Understanding the Single Parent* Nikki Covington, 2010-08 When was the last time someone offered you truly thoughtful good advice and not just his or her own two cents When was the last time someone has offered to give you a break from your kids Are you stuck in a situation that you can't seem to get out of and need help trying *The Complete Guide to Understanding the Single Parent* is not only for you it's for anyone who is or knows a single parent This complete guide provides the helpful advice encouragement and support you need to bull Find time to relax before you lose your mind bull Learn how not to lose your mind bull Brush that heap of judgment off your shoulder bull Get out of debt bull And generally learn that you're not alone in your struggles Understanding the single parent is easy once you've

been there Go there with author Nikki Covington from one single parent to another Take your life to the next level *The Single Parent* Linda Ranson Jacobs,2019-07-02 Whether you became a single parent through divorce death adoption or some other situation you ve probably wondered what the future holds for you and your children Will you be able to provide the emotional financial and spiritual support your family needs *The Single Parent* will encourage you in your journey and help avert problems before they arise It is filled with wise counsel biblical truth and real life stories the author s own as well as those of the many single moms and dads who have come across her path through the years It will help you bolster your abilities in such areas as improving your child s behavior negotiating boundaries graciously seeking and accepting help from others trusting God in the process God cares for the single parent and will provide for you and your children Let this book give you the tools you need as you walk with him in this journey [Dating and the Single Parent](#) Ron L. Deal,2012-10-01 Trustworthy Stepfamily Expert Offers Single Parents a Guide to Dating Single parents who are dating or want to begin a dating relationship wonder How will dating affect my children and my parenting They probably have figured out that dating in a crowd is complicated Now they re looking for help Ron Deal who has counseled single parents and remarried couples for many years helps single parents as well as those who date them navigate the potential pitfalls involved He gives perspective on when a relationship may be harmful to the children as well as how it can be a blessing to all Always at the forefront is the goal of strengthening families Includes questions for individual or group study **Therapy with Single Parents** Joan D Atwood, Frank Genovese,2014-02-25 Provide effective counseling to members of single parent families With more than half of all first marriages ending in divorce it s time to re think the notion that divorce means failure *Therapy with Single Parents* focuses on the strengths of the single parent family rather than its weaknesses stressing the need to look at the socially constructed norms values and definitions associated with marriage and family in order to provide effective counseling This unique book examines experiences that are common to single parents and presents interventive strategies for treating single parent family issues drawing on clinical case studies to provide technical knowledge in everyday language Current research shows that single parents account for 27 percent of family households that include children under 18 and that the number of single mothers in the United States more than tripled between 1970 and 2000 *Therapy with Single Parents* challenges outdated notions that the single parent family is somehow deficient and associated with adjustment problems in children It doesn t ignore the anger pain sadness and guilt experienced by many members of single parent families but offers therapeutic considerations from a more balanced approach The book examines the social psychological and sexual experiences of newly single parents and addresses the ups and downs they ll face in dealing with schools the workplace and social services *Therapy with Single Parents* examines social and psychological differences between divorce and widowhood cognitive behavioral principles of single parent families what children can learn from divorce dealing with the ghosts of past relationships relationship rules dealing with adult children and extended families the effect of change in divorcing families

the feminization of poverty the therapeutic value of social networks Therapy with Single Parents is an invaluable resource for psychologists professional counselors social workers and marriage and family therapists The book presents a thorough in depth examination of the single parent family system as a viable healthy family form *The Smart & Easy Guide To Single Parenting* Jasmine Williams, 2013-10-22 Anyone who has a child knows that parenting is one of the hardest jobs there is Today s parent faces more struggles and pressures than ever before and more and more households are single parent households which make this already tough job even more of a challenge The Smart Easy Guide to Single Parenting provides an honest assessment of the societal changes in family structure the unique challenges that face single parents as well as how to better manage those challenges and reduce the stresses of raising a child on one s own At the outset the guide discusses the changing definition that the term single parent has seen over time What follows is the evolution of the increasing inclusiveness of the term At one point in time a single parent was one who s partner had left them or died consequently leaving them to manage the child rearing and provision of financial security on their own This definition has expanded and now includes the following populations Divorced parents Widows or widowers Parents who s spouses are overseas or otherwise not in the home for military service or work Young or unwed mothers Surrogates or single foster or adoptive parents The guide also describes how the concept of the family has evolved over time For many many years it was more common than not for extended families to live together This meant multiple generations under one roof Parents children grandparents aunts uncles and cousins living together was not at all out of the ordinary Over time this began to change and the nuclear family became the norm The nuclear family is what is often viewed as the traditional family with father mother and children all living under the same roof While to many this is still the ideal situation more and more parents are finding themselves having to manage child rearing on their own as single parents The Smart Easy Guide to Single Parenting discusses the risk factors that are often inherent for single parents and their children Both single parents AND their children are at greater risk for certain issues as a result of the added stress that managing this burden alone have on people s lives For the child risk factors of being raised by a single parent include Risk of neglect or abuse Risk of poverty Risk of poor diet and health Lack of role models or consistent authority figures Reduced academic abilities For the single parent risk factors include Excessive stress Financial strain Poor health and diet Increased change of chemical dependency Lack of interpersonal relationships Effective Strategies of Single Parents While the guide does touch on the many risk factors and difficulties that single parents and their children face it does not by any means provide a grim outlook for all single parents and their children The guide provides a wealth of realistic relatable advice that can help the single parent Since financial security is one of the biggest problems facing single parents the guide places a good deal of emphasis on getting one s finances under control and creating a realistic budget For some there are many aspects of their finances that can be downsized for easier management Time is the other key problem facing most single parents The guide provides a number of

key tips for better time management so as to allow the single parent to reduce their stress without faltering on their obligations as a parent and breadwinner While parenting is never easy being a single parent can be an incredibly daunting challenge In *The Smart Easy Guide to Single Parenting* we are shown how the concept of the family has evolved and how a single parent is defined The guide also touches on the unique challenges facing both the single parent and their child The guide also gives down to earth advice on how single parents can reduce their stress and make their situation as manageable as possible

Single Parents Karen L. Kinnear,1999 *Single Parents* offers an overview of this growing phenomenon the problems faced by single parent families and their impact on society Topics include men and women as single parents single mother families and poverty the legal system and single parents gay and lesbian parents moral issues and the effects of growing up in a single parent family The experiences of single parents in other countries are also discussed This volume lists numerous resources among them federal government programs state statutes concerning child custody and adoption private and public organizations a guide to literature films and videos and information on the Internet

The Single Mom's Workplace Survival Guide Brenda Armstrong,2002 Every Mom is a Working Mom But never before have circumstances forced so many moms to raise their children single handedly which usually includes holding down a paying job in addition to taking care of the home and kids Book jacket

[The Single Parent's Guide: Part 1](#) Nikki Evette,2014-09-23 Being a parent is both wonderful and challenging Accepting the role as a single parent comes with tough issues and life changing decisions In *The Single Parent's Guide Part 1* author Nikki Clark applies timeless strategies and principles that provide a guide to help improve self image build relationships achieve goals and much more *The Single Parent's Guide Part 1* is a practical guide that helps develop effective relationships and structure for you and your child *The Single Parent's Guide Part 1* will help establish peace and order in your everyday routine while creating long term goals for you and your child in every area of your life

The Single Parent's Journey to Self-Discovery and Renewal Avery Nightingale,2024-07-01 In *The Single Parent's Journey to Self Discovery and Renewal* Avery Nightingale delves into the profound challenges faced by single parents in today's rapidly evolving world Drawing inspiration from the poignant journey of Lisa Nichols a single mother who transformed adversity into empowerment Nightingale explores the complexities of balancing modern life with the responsibilities of parenthood With heartfelt honesty she navigates the feelings of loss and emptiness that often accompany the absence of a partner while shedding light on the extraordinary sacrifices made by single parents often unnoticed by society Through introspection and resilience Nightingale illuminates the path to self discovery and renewal offering a beacon of hope for single parents striving to find meaning and fulfillment amidst life's challenges This book is a testament to the strength of the human spirit and a guide for those embarking on their own journey of self transformation

Single-parent Families Elizabeth A. Mulroy,1988

[Single Parent Families](#) Joe Hudson,Burt Galaway,1993 The single parent family is an increasingly frequent family form in all western societies *Single Parent Families* is an important new book that presents and

synthesizes current research about the single parent family and identifies the economic and social policy implications This book is an ideal text for courses in the sociology of the family and for use in social work and family studies programs at colleges and universities It is also an invaluable resource for policy makers students of public policy and academics with an interest in the single parent family

Surviving Single Parenting Dawn Isenhardt,2000-11-14 With the growing number of single parents each year Dawn Isenhardt provides insight into the world of raising a child on your own Whether your are a single mother or single father the basic principles of this book will offer inspiration wisdom and courage which applies to all single parents In *Surviving Single Parenting* you will follow a path that will show you how to strengthen yourself deal with your emotions be aware of your child s feelings structure your life as a single parent survive the difficult times show gratitude for your blessings learn how to make your child and yourself the best you can be

[The Single Parent's Survival Guide](#) Avery Nightingale,2024-07-01 In *The Single Parent s Survival Guide Managing Life s Challenges Alone* Avery Nightingale offers a heartfelt and practical resource for single parents navigating the complexities of raising children solo With over 500 000 children being raised by grandparents the need for support and understanding is more pressing than ever Nightingale reassures readers that they are not alone providing a roadmap for managing the myriad challenges of single parenthood From the humorous moments to the heartfelt joys this book offers a down home no nonsense approach to parenting Delving into the rise of single parent households and the societal shifts that have contributed to this phenomenon Nightingale offers encouragement and guidance for building positive and constructive lives for both parent and child With a wealth of support available single parents can find comfort in knowing they have many hands to help balance the demands of parenthood *The Single Parent s Survival Guide* is an essential companion for anyone embarking on the journey of single parenthood

[Chicken Soup for the Single Parent's Soul](#) Jack Canfield,Mark Victor Hansen,2012-08-14 Every single parent has a different story to tell but a common thread of hope and comfort unites them all

Unbroken Homes J Dianne Garner,Wendy A Paterson,2014-02-25 Explore the real life triumphs and tragedies of single parent mothers *Unbroken Homes* is a story quilt of personal narratives constructed from in depth case study interviews of five single parent mothers The book chronicles their journeys as mothers daughters and women in relationships and in solitude displaying their stories in their own words like the squares of a multicolored quilt *Unbroken Homes* breaks through the stigma associated with broken homes and provides a new perspective on the reorganization of American families *Unbroken Homes* encourages you to rethink some damaging stereotypical assumptions about children from single mother headed homes Drawing information from family research counseling and a cross section of social sciences this book is pertinent to any professional who works with single parents or their children *Unbroken Homes* does not deal with what is typical in the single parenting experience nor does it give advice or proselytize Rather its purpose is to discover the meaning that single parent mothers bring to their own lives helping you to understand the dynamics of single parent families from a uniquely personal perspective In *Unbroken*

Homes you will witness the ways that these women experience the ill effects of gender role socialization work to overcome stigma redefine ideals for family life and gender expectations balance responsibilities in and outside of their homes stretch finances to meet the needs of their families regain strength and self confidence encourage their children s development affirm the strength of their families cope with depression develop networks of support This intensely personal collection of women s stories and reflections is a must read for everyone who seeks a better understanding of divorce single parenting and being alone from an insider s perspective *Surviving and Thriving on the Single-Parent Journey* Kathlene Seney-Williams,2019-08-23 Insightful honest and very down to earth I so wish there had been a book like this when I was a single dad Steve Legg editor Sorted magazine This is a book that comes alongside the reader as a travel guide and walks through the journey via a step by step approach *Walking the Single Parent Journey* offers the reader a chance for self discovery of coming to terms with the pains and effects of the past in order to boldly face the challenges that lie ahead The book discusses the everyday struggles and issues that single parents face whilst offering advice and tips on managing and dealing with them successfully The author encourages the reader to create systems and put strategies in place to help make life easier drawing on her own experiences **A Single Mother, a Few Perspectives... .. and Anyone Else That Is a Single Parent** Mary Elizabeth Jones M a,Mary Elizabeth Jones,2012-12-19 Are you looking for a single parent guide written by an author who understand and shares your experience Are you a single mother by choice Are you looking for single mother assistance or single mother help Would you like to learn about single motherhood Does it seem difficult being a single parent in general If you are able to answer yes to any of the above questions regarding single parenthood then *A Single Mother A Few Perspectives And anyone else that is a Single Parent* is the book for you This incredible self help book uses valuable strategies to assist single parents in maximizing their time energy and resources so they can make the most of their lives for themselves and their children An excellent parent education manual *Women as Single Parents* Elizabeth Mulroy,1988 As Michael Harrington s *New American Poverty* alerted readers to that problem so the present collection makes readers aware of the various conditions of single parenting The institutional barriers of courts housing and workplace to the economic well being of the female single parent are explicitly and directly examined Solid recommendations for institutionalizing change on the state and federal levels are made The interdisciplinary expertise of the authors covers the fields of law social work urban planning housing economics and public policy all with solid academic preparation Charts are clear and concise and the language is direct and concrete Choice The single parent family phenomenon is primarily about households headed by single mothers with minor children Some perceive this growing family form as a threat to the values of the traditional nuclear family and often stereotype the mothers and their children as problems all too often dependent on public assistance Others cite an uncaring society that ignores the needs of its more vulnerable members Stereotypes of single women as parents however often significantly misrepresent the reality Indeed the very ignoring of the great range of

differences that characterize contemporary single mothers has itself led to a large and harmful body of myths that perpetuate and intensify the single parent s problems This sensitive substantive book provides a needed examination of the realities of single parenthood for women It makes a major contribution toward thoughtful formulation of policies for improving the economic and social well being of single parents and their children Scholars and practitioners in the fields of law social work urban planning housing economics and public policy address and respond to the many problems challenges and barriers that single mothers confront in the courts in labor markets and in housing
