The Armageddon Network

Crawford Price

The Armageddon Network:

The Armageddon Network Michael P. Saba, 1984 **Disciples of Destruction** Charles W. Sutherland, What's going on in the world Every day we hear more horror stories about the wars in the Middle East Americans are afraid to travel world wide because of their justified fears of terrorism And here at home we watch with amazement as the fundamentalists battle over control of a TV empire riddled with sex and drugs with a scenario that makes prime time television look tame As money sex and power once again take their toll *Disciples of Destruction* examines religion itself and the role it has played since time as we know it began Sutherland uncovers and analyzes the real ramifications of organized religion and its devastating effects on Western civilization *Disciples of Destruction* is packed with little known vignettes that are sure to astonish amuse and sometimes even outrage the reader Few will fail to be drawn in by the account of the Corpse Synod in which a Pope's body was exhumed put on trial for high crimes and subsequently dragged through the streets of Rome or shocked by the plausible contention that Albino Luciani elected Pope John Paul I in 1979 but destined to reign for only 33 days did not die a natural death but was in fact assassinated Sutherland convincingly concludes that organized religion even today maintains the proclivities of its barbaric origins as Israeli expansionism the Vatican's obsession with its financial empire the atrocities of Khomeini's Islamic Republic and Marxist militarism and repression amply demonstrate These proclivities updated to our century indicate that while the long battle to liberate the mind from the fear of tyranny continues the slow process of slaying the dragons of mythology is not keeping step with the pace of nuclear weapons development and deployment which accelerates in the context of an equally explosive growth of religious fundamentalism Unchecked this makes armageddon the easiest prophecy to fulfill *Introduction to New and Alternative Religions in America* William M. Ashcraft, Eugene V. Gallagher, 2006-10-30 Most new or alternative religions are gravely misunderstood by members of the religious mainstream Labeled cults or sects groups and their members are often ridiculed or otherwise disregarded as weird and potentially dangerous by the populace at large Despite their efforts at educating the general public the various anti and counter cult activists have in fact promoted much more mis understanding than accurate understanding of the religious lives of some of their fellow citizens Consequently they have helped to create a very hostile environment for anyone whose religious practices do not fit within a so called mainstream This set rectifies the situation by presenting accurate comprehensive authoritative and accessible accounts of various new and alternative religious movements that have been and are active in American society and it addresses ways of understanding new and alternative religions within a broader context Determining what actually constitutes a new or alternative religion is a subject of constant debate Questions arise as to a new faith's legitimacy beliefs methods of conversion and other facets of a religious movement's viability and place in a given culture How a religion gains recognition by the mainstream which often labels such new movements as cults is fraught with difficulty tension and fear Here experts delineate the boundaries and examine the various groups beliefs movements and other issues related to

new faiths and alternative beliefs Readers will come away with a fuller understanding of the religious landscape in America today Volume 1 History and Controversies discusses the foundations of new and alternative religions in the United States and addresses the controversies that surround them This volume helps readers better understand what makes a new or alternative belief system a religion and the issues involved Volume 2 Jewish and Christian Traditions explores the various new religions that have grown out of these two Abrahamic faiths Groups such as the Shakers the People s Temple the Branch Davidians Jehovah s Witnesses and others are examined Volume 3 Metaphysical New Age and Neopagan Movements looks at Shamanism Spiritualism Wicca and Paganism among other movements as they have developed and grown in the U S These faiths have found new and devoted followers yet are often misunderstood Volume 4 Asian Traditions focuses on those new and alternative religions that have been inspired by Asian religious traditions From Baha i to Soka Gakkai from Adidam to the Vedanta Society contributors look at a full range of groups practicing and worshiping in the U S today Volume 5 African Diaspora Traditions and Other American Innovations examines the various traditions linked to the African diaspora such as Rastafarianism Santeria and the Nation of Islam alongside traditions that are truly American incarnations like Scientology UFO religions and Heaven s Gate Some of the new and alternative religions covered in these pages include Shamanism Wicca Black Israelites Santeria Scientology Elan Vital Hare Krishna Soka Gakkai and many more

9/11-Enemies Foreign and Domestic Edward Hendrie,2011 Hendrie proves beyond a reasonable doubt that the U S government s conspiracy theory of the attacks on September 11 2001 is a preposterous cover story The evidence proves that powerful Zionists ordered the 9 11 attacks which were perpetrated by Israel s Mossad aided and abetted by treacherous high officials in the U S government The Bloomsbury Review ,1984 Economic Warfare R. T. Naylor,2001 This eye opening account of the futility of forcing political change through economic pressure describes countless cases in which economic warfare repeatedly failed to achieve its stated goals and actually caused substantial harm to innocent populations **Israeli Foreign Affairs** ,1984 The F.O.J. Syndrome in America: Americans: a nation of dupes, sheep, and wimps? Ratibor-Ray M. Jurjevich,1988 *Introduction to New and Alternative Religions in America: Jewish and Christian traditions* Eugene V. Gallagher,W. Michael Ashcraft,2006 Annotation Most new or alternative religious are gravely misunderstood by members of the religious mainstream Labeled cults or sects groups and their members are often ridiculed or otherwise disregarded as weird and potentially dangerous by the populace at large Despite their efforts at educating the general public the various anti and counter cult activists have in fact promoted much more mis understanding than accurate understanding of the religious lives of some of their fellow citizens Consequently they have helped to create a very hostile environment for anyone whose religious practices do not fit within a so called mainstream This set rectifies the situation by presenting accurate comprehensive authoritative and accessible accounts of various new and alternative religious movements that have been and are active in American society and it addresses ways of understanding new and alternative religions within a broader context

Determining what actually constitutes a new or alternative religion is a subject of constant debate. Questions arise as to a new faith's legitimacy, beliefs, methods of conversion, and other facets of a religious movement's viability and place in a given culture. How a religion gains recognition by the mainstream, which often labels such new movements as cults, is fraught with difficulty, tension, and fear. Here, experts delineate the boundaries and examine the various groups, beliefs, movements, and other issues related to new faiths and alternative beliefs. Readers will come away with a fuller understanding of the religious landscape in America today.

Volume 1: *History and Controversies* discusses the foundations of new and alternative religions in the United States and addresses the controversies that surround them. This volume helps readers better understand what makes a new or alternative belief system a religion and the issues involved.

Volume 2: *Jewish and Christian Traditions* explores the various new religions that have grown out of these two Abrahamic faiths. Groups such as the Shakers, the People's Temple, the Branch Davidians, Jehovah's Witnesses, and others are examined.

Volume 3: *Metaphysical, New Age, and Neopagan Movements* looks at Shamanism, Spiritualism, Wicca, and Paganism among other movements as they have developed and grown in the U.S. These faiths have found new and devoted followers yet are often misunderstood.

Volume 4: *Asian Traditions* focuses on those new and alternative religions that have been inspired by Asian religious traditions. From Baha'i to Soka Gakkai, from Adidam to the Vedanta Society, contributors look at a full range of groups practicing and worshiping in the U.S. today.

Volume 5: *African Diaspora Traditions and Other American Innovations* examines the various traditions linked to the African diaspora, such as Rastafarianism, Santeria, and the Nation of Islam, alongside traditions that are truly American incarnations like Scientology, UFO religions, and Heaven's Gate. Some of the new and alternative religions covered in these pages include Shamanism, Wicca, Black Israelites, Santeria, Scientology, Elan Vital, Hare Krishna, Soka Gakkai, and many more.

Armageddon Eugene William Löhrke, 1930 The Dawn of Armageddon Crawford Price, 1917 **The Excavation of Armageddon** Clarence Stanley Fisher, 1929 **Mideast File**, 1987 **Instauration**, 1984 The invisible man. The war of the worlds. A dream of Armageddon Herbert George Wells, 1924 *Armageddon 190-* Ferdinand Heinrich Grautoff, G. Herring, 1907 The Suburban Economic Network John E. Ullmann, 1977 **The American Presidency** Kenneth W. Thompson, 1986

The third in the series *The American Presidency: Perspectives from Abroad*, this book includes perspectives from the Commonwealth, from Europe, and from the Middle East. In the first category, David Butler addresses the Presidency and American Constitutionalism. Ambassador F. Rawdon Dalrymple gives an Australian view of the Presidency. Michael Foot looks at American Presidents past and present. Sir Nivian Stephens surveys constitutions, and J. D. B. Miller sums up. Francis H. Heller provides a comparison of the French and American Presidencies, while Farhang Rajaee gives the view of the American Presidency from Iran, and Ambassador Talcott W. Seelye looks at the Presidency and the Middle East. Co-published with the Miller Center of Public Affairs.
