The Fortune of War Patrick O'Brian, 1994 Aubrey and Maturin are caught in the outbreak of the War of 1812 The Fortune of War Patrick O'Brian, 1979 Patrick O Brian s Aubrey Maturin tales are widely hailed as the greatest series of historical novels ever written All eighteen books are to be re issued in hardback by HarperCollins with stunning new jackets Captain Jack Aubrey RN arrives in the Dutch East Indies to find himself appointed to the command of the fastest and best armed frigate in the Navy He and his friend Stephen Maturin take passage for England in a despatch vessel But the war of 1812 breaks out while they are en route Bloody actions precipitate them both into new and unexpected scenes where Stephen s past activities as a secret agent return on him with a vengeance

Early American Proverbs and Proverbial Phrases Bartlett Jere Whiting, 1977 p B J Whiting savors proverbial expressions and has devoted much of his lifetime to studying and collecting them no one knows more about British and American proverbs than he The present volume based upon writings in British North America from the earliest settlements to approximately 1820 complements his and Archer Taylor s Dictionary of American Proverbs and Proverbial Phrases 1820 1880 It differs from that work and from other standard collections however in that its sources are primarily not literary but instead workaday writings letters diaries histories travel books political pamphlets and the like The authors represent a wide cross section of the populace from scholars and statesmen to farmers shopkeepers sailors and hunters Mr Whiting has combed all the obvious sources and hundreds of out of the way publications of local journals and historical societies This body of material because it covers territory that has not been extracted and compiled in a scholarly way before can justly be said to be the most valuable of all those that Whiting has brought together according to Albert B Friedman What makes the work important is Whiting s authority a proverb or proverbial phrase is what BJW thinks is a proverb or proverbial phrase There is no objective operative definition of any value no divining rod his tact feel experience determine what s the real thing and what is spurious
