French Inheritance

The French Inheritance

Edmond Kelly

The French Inheritance:

French Property and Inheritance Law Henry Dyson,2003 The growing trend for purchasing property in France either as a main or second home has led to a corresponding need for a book which explains the French conveyancing system for lawyers trained in other legal systems French Property and Inheritance Law offers practical guidance to lawyers and other professionals advising clients on property transactions and related matters in France including buying selling and mortgaging land the ownership of flats and leases and the establishment of companies to own land as a means of avoiding French inheritance rules and to mitigate French inheritance tax It unravels the mysteries of many features of the French system such as the marriage regime the PACS and sales en viager which can often be advantageous to non French clients The book also covers all aspects of French inheritance law including the rules of intestacy the making of wills and the inheritance rights of the surviving spouse and the rights of other members of the family The author offers advice on how beneficiaries can avoid personal liability for the debts of a deceased and provides practical guidance on the administration of estates A glossary and relevant legal precedents are also included The author also writes regular updates on new key developments in French property law please see the publication Solicitors Journal for details of his articles on the subject

The French Property Buyer's Handbook Natalie Avella,2004-06 This essential new book takes you through all the stages of buying a house and moving to France covering everything a non French person needs to know about Buying a house in France choosing the right area the different property styles looking for the right property dealing with property agents building your own house arranging finance for the purchase negotiating the property transaction Moving to France moving into your new house getting all the paperwork right opening bank accounts and tax health and the French social security system running a gite business finding a job or starting a business in France Plus hundreds of tips and lots of advice on all those small matters that are key to making your purchase in France a success All this is explained in straight forward language supported by a wealth of tables contact details for further information and many case studies of people who have bought property in France Is this book for you The book is for anyone looking to buy a property in France to use as a holiday home to work from or to start a new life abroad It can be used as an active reference guide when on the ground in France getting up early for that 8am appointment with an immobilier But can also be used by people thinking about moving to France in the future but who are not quite ready to make the move yet This book highlights all the issues that you need to consider
