## **The Shorter Catechism:**

**The Shorter Catechism Made Simple** Andrew Conway, 2015-03-16 Generations of Christians have found the Westminster Shorter Catechism to be a wonderful treasury of spiritual gold. It outlines the core Christian beliefs and the essential characteristics of Christian living in a way that enlightens the mind and inspires the heart. Its most famous statement that our chief end is to glorify God and enjoy Him for ever is widely recognized as a piece of timeless wisdom. Sadly though the wisdom of the Westminster Shorter Catechism is increasingly hard for many people today to appreciate. With the passage of time its beautiful 17th Century English has become further and further removed from the language we use every day. This brief book aims not only to address this problem by putting the Catechism into modern English but likewise to highlight the carefully arranged structure of the catechism a structure that in itself contains a great deal of wisdom. To achieve this the catechism is divided into sections and a few notes to help explain it are given. May God use it to help a new generation glorify and enjoy Him.

*Questions and Answers on the Shorter Catechism* John Brown, 2006-12-01 John Brown of Haddington's Questions and Answers on the Shorter Catechism is one of the most remarkable and unique doctrinal books ever written. Each question of Westminster's Shorter Catechism prompts numerous questions from the author over 4400 in all. The author provides remarkably succinct answers each of which is supported by Scripture. We know of no catechetical work that packs so much Reformed doctrinal truth in such a short compass. Brown is a master at providing pungent scripturally based Christ centered sound and experiential answers that can be understood readily by both older teenagers and adults. We have often turned to this practical work in preparing for teaching catechism class and have found it more helpful than any other not only in its answers but also in its questions. If you'd like a succinct handbook that asks thousands of good questions and provides wise and pastoral answers buy and read this book. Read it slowly a few pages in an evening will suffice and then meditate and pray about it.
