

THE SILVER BOUGH

F. MARIAN McNEILL

The Silver Bough

F. Marian McNeill

The Silver Bough:

The Silver Bough Florence Marian McNeill,1989 A marvellous and indispensable treasury of Scottish folklore and folk belief from the world of Celtic magic gods and fairies to the prophesies of the Brahan seer second sight witchcraft earth magic selkies changelings and a host of traditional spells and cures The Silver Bough involved many years of research into both living and recorded folklore and remains a classic of literature *The Silver Bough in Irish Legend* Eleanor Hull,1901

The Silver Bough F. Marian McNeill,1957 **The Silver Bough: Scottish folk-lore and folk-belief** Florence Marian McNeill,1957 The Silver Bough Florence Marian MacNeill,1989 *The Silver Bough* Neil Miller Gunn,1992 **The Silver Bough** Florence Marian McNeill,1957 **The Silver Bough** F. Marian McNeill,1982-01-01 **The Silver Bough ... Vol. 4 ...** F. M. McNeill,1968 The Silver Bough Lisa Tuttle,2006-04-25 The award winning author of *The Mysteries*

returns with another captivating novel in which modern day enigmas and age old myths come together to bear spellbinding fruit Nestled on the coast of Scotland Appleton was once famous for its apples Now though the orchards are long gone locals still dream of the town s glory days when good luck seemed a way of life And outsiders are still drawn to the charming village including three very different American women Enchanted by Appleton s famously ornate library divorce Kathleen Mullaroy has left her cosmopolitan job to start anew as the town s head librarian Widowed Nell Westray hopes for a quiet life in the place she and her husband spent their happiest moments And young Ashley Kaldis has come to find her roots But when a sudden landslide cuts Appleton off from the wider world and the usual constraints of reality the village reveals itself to be an extraordinary place inhabited by legendary beings and secret rooms Most unexpected is a handsome stranger who will draw all three women into an Otherworld where as in Eden the bite of a single apple can alter the course of reality if only one of them will believe **The Silver Bough** Neil Miller Gunn,1948 **The Silver Bough ... Vol. 1 ...** F. M. McNeill,1957

The silver bough... Vol.1... F.M. McNeill,1957 **The Silver Bough** Neil M. Gunn,1989 SILVER BOUGH. AMY. FRY,2021 **Silver Bough Volume 2** F. Marian McNeill,2013-08-20 The Silver Bough is an indispensable treasury of Scottish culture universally acknowledged as a classic of literature The author F Marian McNeill succeeded in capturing and bringing to life many traditions and customs of old before they died out or were influenced by the modern era The Silver Branch of the sacred apple tree laden with crystal blossoms of golden fruit is in Celtic mythology the equivalent of the Golden Bough of classical mythology the symbolic bond between the world we know and the Otherworld In the first volume of the Silver Bough the author deals generally with Scottish folk lore and folk belief with chapters on ethnic origins the Druids the Celtic gods the slow transition to Christianity magic the fairy faith second sight selkies changelings and the witch cult In this and the subsequent volumes she explores in more depth the foundations of many of these beliefs and rituals through the Calendar of Scottish national festivals in which we find enshrined many of the fascinating folk customs of our ancestors This second volume explores the opening seasons of the Calendar of Scottish National Festivals from the Festivals of Spring to the

immemorial rites associated with Autumn Harvesting As man makes greater and greater advances in the understanding and control of his physical environment the river between the known and the unknown gradually changes its course and the subjects of the simpler beliefs of former times become part of the new territory of knowledge The Silver Bough maps out the old course of the waterway that in Celtic belief winds between here and beyond and reveals the very roots of the Scottish people s distinctive customs and way of life The Silver Bough is a large and important work which involved many years of research into both living and recorded lore Its genesis lies perhaps in the author s subconscious need to reconcile the old primitive world she had glimpsed in childhood with the sophisticated modern world she later entered e I do not believe that you can exaggerate the importance of the preservation of old ways and customs and all those little things which bind a man to his native place Today we live in difficult times The steam roller of progress is flattening out many of our old institutions and there is a danger of a general decline in idiom and distinctive quality in our Scottish life The only way to counteract this peril is to preserve jealously all these elder things which are bone of our bone and flesh of our flesh For remember no man can face the future with courage and confidence unless it is solidly founded upon the past And conversely no problem will be too hard no situation too strange if we can link it with what we know and lovee F Marian McNeill **The Silver Bough** Random House,2001-03 **Silver Bough Volume 3** F. Marian McNeill,2013-08-20 The Silver Bough is an indispensable treasury of Scottish culture universally acknowledged as a classic of literature The author F Marian McNeill succeeded in capturing and bringing to life many traditions and customs of old before they died out or were influenced by the modern era The Silver Branch of the sacred apple tree laden with crystal blossoms of golden fruit is in Celtic mythology the equivalent of the Golden Bough of classical mythology the symbolic bond between the world we know and the Otherworld In the first volume of the Silver Bough the author deals generally with Scottish folk lore and folk belief with chapters on ethnic origins the Druids the Celtic gods the slow transition to Christianity magic the fairy faith second sight selkies changelings and the witch cult In volume two she began her more in depth exploration of the foundations of many of these beliefs and rituals through the Calendar of Scottish national festivals in which we find enshrined many of the fascinating folk customs of our ancestors This third volume continues that study by looking at the Festivals from Hallow en to Yule tide As man makes greater and greater advances in the understanding and control of his physical environment the river between the known and the unknown gradually changes its course and the subjects of the simpler beliefs of former times become part of the new territory of knowledge The Silver Bough maps out the old course of the waterway that in Celtic belief winds between here and beyond and reveals the very roots of the Scottish people s distinctive customs and way of life The Silver Bough is a large and important work which involved many years of research into both living and recorded lore Its genesis lies perhaps in the author s subconscious need to reconcile the old primitive world she had glimpsed in childhood with the sophisticated modern world she later entered e I do not believe that you can exaggerate the importance of the preservation of old ways and

customs and all those little things which bind a man to his native place Today we live in difficult times The steam roller of progress is flattening out many of our old institutions and there is a danger of a general decline in idiom and distinctive quality in our Scottish life The only way to counteract this peril is to preserve jealously all these elder things which are bone of our bone and flesh of our flesh For remember no man can face the future with courage and confidence unless it is solidly founded upon the past And conversely no problem will be too hard no situation too strange if we can link it with what we know and lovee F Marian McNeill *The Silver Bough* Neil M. Gunn,2003 **The Silver Bough: A calendar of Scottish national festivals: Candlemas to harvest home** Florence Marian McNeill,1959
