## **Guide Virtual Collaboration:**

*Virtual Team Success* Richard Lepsinger, Darleen DeRosa, 2010-09-09 In today's complex organizations it is not uncommon to have as many as 50 percent of employees working on virtual teams. As the virtual revolution continues to spread, how can companies ensure that virtual team collaboration is producing the desired results? Highly practical and easy to navigate, *Virtual Team Success* leverages the authors' robust global research study and hands-on experience to provide an immediately usable resource for virtual team members and team leaders. This groundbreaking book is a hands-on practical toolkit filled with down-to-earth examples and insights that can enhance the virtual team experience for everyone involved. The authors' research study is one of the most comprehensive applied studies ever conducted on virtual teams, and all of the recommendations outlined are based on these findings, as well as the authors' years of experience helping virtual teams and virtual team leaders effectively lead and collaborate from a distance. To help organizations and leaders enhance virtual team performance, the book includes *Why Virtual Teams Fail*, outlines the four pitfalls that frequently derail virtual teams; *Profile of High Performing Teams* addresses the characteristics of the most effective virtual teams and what makes them successful; *Virtual Team Launch Kit* provides practical guidelines and tools for successfully launching virtual teams; *How to RAMP Up Your Team's Effectiveness* introduces a practical research-based model of virtual team effectiveness to improve team performance; *Profile of Top Performing Virtual Team Leaders* identifies the practices of the most successful virtual team leaders; *Facilitating High Impact Virtual Meetings* includes tips and techniques to effectively lead virtual meetings. *Virtual Team Success* also includes practical resources for virtual team leaders: quick reference guides for diagnosing virtual team problems and six lessons for virtual team success.

*Virtual Team Collaboration* Jasmin Mahadevan, 2024-08-26 Spurred by the COVID-19 pandemic, new forms of working together have been developed, such as global or local virtual team collaboration or extensive work from home. Today's work is increasingly team-based, digitalized, and flexible, with wide-ranging implications for the skill set required by employees, management, and organizations for how humans are going to integrate work and life and for how future society, business, and ecology will develop. In this textbook, with an excellent didactic structure, students and practitioners find a wide range of knowledge in ten essential areas of virtual team collaboration. It covers key requirements, responsibilities, and practices for setting up and maintaining high-performance virtual teams on both local and global levels. This textbook has been recommended and developed for university courses in Germany, Austria, and Switzerland.
