DiMatteo, Michel Cannarsa, 2024-08-06 This Research Handbook analyses the role of law in a universe fractured by new disruptive technologies such as metaverse platforms Contributing authors explore how the law will adapt as new dimensions of the metaverse are introduced to issues such as intellectual property rights e commerce NFTs and cryptocurrencies data privacy contract law as well as human rights consumer law and criminal law The abuse and manipulation of users is studied in several contributions *Handbook of Research on the Future of Advertising and Brands in the New Entertainment Landscape* Miguélez-Juan, Blanca, Bonales-Daimiel, Gema, 2023-01-09 In a globalized world full of noise brands are constantly launching messages through different channels For the last two decades brands marketers and creatives have faced the difficult task of reaching those individuals who do not want to watch or listen to what they are trying to tell them By producing fewer ads or making them louder or more striking more brands and communications professionals are not going to get those people to pay more attention to their messages they will only want to avoid advertising in all media The Handbook of Research on the Future of Advertising and Brands in the New Entertainment Landscape provides a theoretical reflective and empirical perspective on branded content and branded entertainment in relation to audience engagement It reviews different cases about branded content to address the dramatic change that brands and conventional advertising are facing short term Covering topics such as branded content measurement tools digital entertainment culture and government storytelling this major reference work is an excellent resource for marketers advertising agencies brand managers business leaders and managers communications professionals government officials non profit organizations students and educators of higher education academic libraries researchers and academicians [Handbook of Research on Consumer Behavioral Analytics in Metaverse and the Adoption of a Virtual World](#) Keikhosrokiani, Pantea, 2023-04-05 Although there are various studies on theories and analytical techniques to address consumer behavior change in the current world tracking consumer behavior change in the metaverse and the adoption of the metaverse remains a challenge that requires discussion The advent of the metaverse will have a profound influence on consumer behavior from how people make decisions and create brand connections to how they feel about their avatar embodiment and their purchases in the metaverse The Handbook of Research on Consumer Behavioral Analytics in Metaverse and the Adoption of a Virtual World investigates the social behavioral and psychological factors that influence metaverse adoption The focus then shifts to concepts theories and analytical approaches for detecting changes in consumer behavior in the metaverse Covering topics such as e commerce markets user experience and immersive technologies this major reference work is an excellent resource for business executives entrepreneurs data analysts marketers advertisers government officials social media professionals librarians students and educators of higher education researchers and academicians *Routledge Handbook of Trends and Issues in Global Tourism Supply and Demand* Alastair

M. Morrison, Dimitrios Buhalis, 2023-09-25 This Handbook provides a comprehensive overview of trends and issues in the global supply and demand on tourism. With contributions from 70 authors, this Handbook showcases a diverse range of perspectives with insights from around the globe. It reviews the interactions among trends and issues and emphasizes the importance of tracking and interpreting these on a global scale. The book is organized into three parts: Part I focusing on supply side trends including transport, attractions, culture, heritage, tourism, technology, policies, and destination management; Part II critically reviews the external factor trends including the impact of terrorism, multi-crisis destinations, Generation Z's important contributions to the sector, the regulation of sharing economy platforms, and nature tourism in the future; Part III focuses on market-led trends such as bleisure, glamping, VFR travel, transformational tourism, and new trends in wellness tourism following the post-COVID era. The book also provides predictions for the upcoming decades. This Handbook will be a vital tool for researchers, students, and practitioners in the tourism and hospitality sector to further develop their knowledge and expertise in the field. It examines business and policy implications, offering guidance for developing sustainable competitive advantage.
