The Guest Worker Question in Postwar Germany Rita Chin, 2007-03-05 This book provides the first English language history of the postwar labor migration to West Germany Drawing on government bulletins statements by political leaders parliamentary arguments industry newsletters social welfare studies press coverage and the cultural production of immigrant artists and intellectuals Rita Chin offers an account of West German public debate about guest workers She traces the historical and ideological shifts around the meanings of the labor migration moving from the concept of guest workers as a temporary labor supplement in the 1950s and 1960s to early ideas about multiculturalism by the end of the 1980s She argues that the efforts to come to terms with the permanent residence of guest workers especially Muslim Turks forced a major rethinking of German identity culture and nation What began as a policy initiative to fuel the economic miracle ultimately became a much broader discussion about the parameters of a specifically German brand of multiculturalism

The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and suspenseful novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
