The Healing Path:

The Healing Path Study Guide Dan B. Allender, 1999-02-16 DON T WASTE YOUR PAIN None of us escapes the heartache and disappointments of life To live is to hurt and we all have the wounds to prove it Regardless of how we ve been hurt we all face a common question What should we do with our pain Should we stoically ignore it Should we just get over it Should we let it make us stronger Should we optimistically hope that everything will work out in the end If we fail to respond appropriately to the wounds that life and relationships inflict our pain will be wasted it will numb us or destroy us But suffering doesn t have to mangle our hearts and rob us of the joy of life It can instead lead us to life if we know the path to healing Healing is not the resolution of our past it is the use of our past to draw us into deeper relationship with God and his purposes for our lives We don t have to be held captive by the hurts of our past We can move from feelings of powerlessness betrayal and ambivalence into faith hope and love The Healing Path takes us beyond self discovery to God discovery giving us the tools to excavate the riches that lay beneath the surface of our pain If you re ready to use the experiences of the past and present to shape a future characterized by love service and joy now is the time to step out onto The Healing Path [The Healing Path](#)

Marc Barasch, 1994 **The Healing Path of Prayer** Ron Roth, Peter Occhiogrosso, 1998-12-22 Prayer is the key to tapping into the healing energy of the Divine Yet for many people prayer has been reduced to a rote practice that has lost its basic meaning and efficacy In his long awaited book for an ecumenical readership internationally renowned spiritual healer Ron Roth teaches his unique approach to prayer as energy medicine The Healing Path of Prayer explains in detail the connection between healing faith and prayer Roth shows you how to find your own path to prayer in a way that connects with God s healing energy As Roth explains you can use this energy for physical healing and perhaps more significantly for healing emotional and spiritual wounds that may be the root of physical maladies The Healing Path of Prayer offers specific guidance in setting up a daily prayer practice that is rewarding and meaningful Through a series of simple but effective exercises and rituals Roth shows you how to celebrate your own sacraments and become a mystic in the course of your everyday life As Roth revitalizes many tired traditional prayers with his fresh and inspiring reinterpretations from original scripture he also recounts the dramatic story of when he discovered his healing abilities as well as true case studies of healing in which he has participated The Healing Path of Prayer is a blueprint for a truly democratic spirituality Each chapter offers a new higher level of prayer enabling you to acquire more advanced techniques of focus intention and insight Roth s instruction on how to pray and establish a daily practice of meditation will lead you into a vital path of everyday mysticism and personal power
