The Guns Of Ellsworth:

The Guns of Ellsworth Dwight Bennett Newton, **The Guns of Ellsworth** D. B. Newton, 2004 Two years in prison had changed Vern Balance from an easy going drifter with a liking for cards and liquor to a hard bitter man Still trouble was the last thing he was looking for as he rode to the town of Ellsworth to collect an old debt that could help him start over But trouble was what he found in that dusty Kansas cowtown where falling beef prices and border rivalries had inflamed resentments between the drovers and corrupt town officials It occurs to Vern that violence may be as hard to escape as the memory of his time in prison D B Newton was one of the founders of the Western Writers of America and has applied his considerable talents and authoritative knowledge of the Old West to films and to television in such series as Death Valley Days and Wagon Train The Guns of Ellsworth Dwight Bennett, 1973 *Field Artillery Weapons of the Civil War* James C. Hazlett, Edwin Olmstead, M. Hume Parks, 2004 This is a detailed survey replete with photographs and diagrams of the field artillery used by both sides in the Civil War In paperback for the first time the book provides technical descriptions of the artillery bore weight range etc ordnance purchases and inspection reports Appendixes provide information on surviving artillery pieces and their current locations in museums and national parks *Last Resort Beyond Last Resort* Walter Herbst, 2025-04-29 John F Kennedy was an embattled president He was consistently at odds with the Joint Chiefs the CIA the radical right and Fascist groups in America and Western Europe who considered him too weak to contain the spread of communism After the Cuban Missile Crisis the animosity for the young President grew as JFK cracked down on right wing Cuban exile groups in America by preventing them from running sabotage raids against the Cuban mainland Confusion reigned for at the same time Robert Kennedy was putting together a coalition of left wing Cuban exiles to launch a second invasion of Cuba at the end of 1963 Meanwhile a right wing Cuban exile group operating independently of the Kennedys was looking to assassinate JFK which they believed would be a catalyst to compel the United States to invade Cuba with its military in retaliation The plan could have worked because of Lee Harvey Oswald He was a Marxist and Castro supporter who had defected to the Soviet Union in 1959 had renounced his citizenship and had revealed military secrets to the Russians He allegedly tried to shoot right wing General Edwin Walker was a member of the pro Castro Fair Play for Cuba Committee and in the summer of 1963 he was arrested in New Orleans for handing out pro Castro literature in public He traveled to Mexico City and tried to reach Havana two months before the JFK assassination He wrote a letter to the Russian Embassy in Washington D C upon his return saying he used an alias while he was in Mexico He was measured as 5 9 tall during his autopsy which was two inches shorter than when he left the Marines four years before All this made him the perfect patsy to be used to justify a second invasion of Cuba So why didn t the United States invade Cuba after the JFK assassination when they had the opportunity to do so once and for all The answer to that question is West Berlin the gateway to Western Europe and a city President Kennedy was determined to protect at all costs even if it meant sacrificing Cuba to

the Communists And a second invasion of Cuba placed Berlin in jeopardy so it could not be allowed to happen Another group came together in the spring of 1963 made up of CIA right wing Cold War veterans like Allen Dulles James Angleton Henry Hecksher William Harvey and Tracy Barnes These men had fought the Nazis during World War but came to consider them the lesser of two evils compared to the Soviet Union when the war was over And they were hell bent on keeping communism out of Europe by any means possible For over a decade leading up to JFK s Presidency they had collaborated with ex Nazis European Monarchists and French military Fascists in the war against communism to keep Europe safe So it was not surprising that they all came together once again to assassinate President Kennedy not to justify an invasion of Cuba but to prevent that from occurring They knew that if a second invasion of Cuba were to happen the Soviets would take West Berlin which would almost certainly have led to World War III So as a Last Resort Beyond Last Resort this group inevitably concluded that the only choice they had was to remove JFK from power before it was too late And mixed up in the middle of it all was Lee Harvey Oswald

All Things Bright and Strange James Markert,2018-01-30 In the wake of World War I in the small Southern town of Bellhaven South Carolina the town folk believe they ve found a little slice of heaven in a mysterious chapel in the woods But they soon realize that evil can come in the most beautiful of forms The people of Bellhaven have always looked to Ellsworth Newberry for guidance but after losing his wife and his future as a professional pitcher he is moments away from testing his mortality once and for all Until he finally takes notice of the changes in his town and the cardinals that have returned Upon the discovery of a small chapel deep in the Bellhaven woods healing seems to fall upon the townspeople bringing peace after several years of mourning But as they visit the healing floor more frequently the people begin to turn on one another and the unusually tolerant town becomes anything but The cracks between the natural and supernatural begin to widen and tensions rise Before the town crumbles Ellsworth must pull himself from the brink of suicide overcome his demons and face the truth of who he was born to be by leading the town into the woods to face the evil threatening Bellhaven
